CARRIE PATERRA

Profile

Experienced professional with a diverse background including: high-end service industry, combining a strong work ethic with a refined sense of customer care. Have also trained in photography under acclaimed artists such as Yannis Kontos, Christopher Hedlund, and Joey Wright— bringing a creative eye and attention to detail to every project. In addition I have a strong desire to learn and further my education while pursuing a masters degree and expanding my coding and web development skills while actively working in the state licensing industry.
