Pickleball Lottery Registration Rules 2026-3

Third Trimester, 8/31 - 12/27/2026

Drawing: July 15, 2026 1:00PM TO 3:00 PM at Magnolia Hall

Registration is due by June 15

No registrations will be accepted after 4 pm on this date.

If you would like to have a chance at a reserved scheduled court time for a Lottery group, you must submit a Pickleball electronic registration ([link at the bottom of this page](#)).

- **All group participants must be current Pickleball Club members and must also be registered in the current Reservation System, be it Chelsea or Court Reserve. The Club is transitioning to the Court Reserve reservation system and is awaiting formal notice of its activation from the Community Association. You will be notified when this is known.**
- **You can prepare for this by starting your registration at courtreserve.com**
- **Group Leaders must verify the correct cam numbers with players before submitting the registration form.**
- **If you would like to form a group, you will need a minimum of 4 players, including yourself as the group leader (See rules below).**
- **Maximum Group requests are 1- 3 days/wk, 2 courts/day, 2 hrs/court between the hours of 12 - 6 pm.**

Randomized Lottery numbers will be pre-assigned and recorded for each registration by the lottery committee. You will be notified of your numbers before the lottery, which you should bring with you. You can pick up your assigned numbers on index cards at the entry table, which you will submit when your number is called.

The preassigned randomized numbers will be called manually at the Lottery for transparency purposes, as requested by club members.

On the day of the lottery drawing, the group leader or his/her representative must be present to select the days, courts, and times of play. Only one registration is required, no matter how many days/week the group plays. If your group plays 1 day/wk, you will be assigned 1 number; if your group plays 2 days/ wk, you will receive a 2nd number; if your group plays 3 days/wk, you will receive a 3rd number. This will be for Draws A and B (whichever you selected on the form). See rules below for clarification on Draws A & B under [Special Instructions](#).

2. The GL must be listed as the first member of the group roster.

3. The GL must include his/her contact email and phone number. Any correspondence will be with Group Leaders only.
4. **All Players listed in a group must be actual players playing in that group.**
5. **Before submitting the registration form, the GL is responsible for verifying that players listed in your group are not part of any other group.** (Players can only participate in 2 groups. If one of your players is in a second group, that group will have to be in Draw B. Group Leaders will have to coordinate with that second group leader to work out those details.)
6. **Please ask your players if they are in more than one PB Lottery Group.**
7. All player rosters in Lottery Draw A must be unique, with no names shared with another roster. Similarly, all player rosters in Lottery Draw B must be unique, with no names shared with another roster.
8. There will be 3 drawings in Draws A & B. If your group plays 1 day/week, you will be assigned 1 lottery draw number; 2 days/week, you will get 2 numbers, and 3 days/week, 3 numbers.
9. **Changing or canceling an assigned reservation.** If a player drops out of your group during the lottery term, it is the responsibility of the Group Leader (GL) to remove this person AND change the reservation each week with the new player's name.
10. Group Leaders or their representatives are responsible for cancelling any scheduled court time that will not be used at least 1 day in advance if not used.

REGISTRATION PROCESS

The **electronic registration rules and link** will be emailed to ALL current PB Club members.

ONLY Group Leaders (GL) are required to submit the electronic registration. It must be submitted on time and with verified players. Failure to meet this requirement results in:

1. GL is notified of the error via email or phone call.
2. GL must edit the registration from the confirmation email you received: the registration deadline is June 15, 4 pm.

LOTTERY DRAW PROCEDURE

1. Lottery groups are randomized, and numbers are assigned to each group for each day of play. For example: If your group is playing one day a week, you will receive one number; if your group is playing two days a week, you will receive a second number, and three days a week, a third number in Lottery Draw A or B.

2. On Lottery Day --- the Draw will consist of 6 rounds starting with Lottery Draw A: rounds 1 through 3, followed by Lottery Draw B: rounds 4 through 6.
This will now be done manually at the Lottery by drawing numbered balls from a container.
3. On Lottery Day, the GL or their representative must attend that day.
4. **Reminder: All player rosters in Lottery Draw A must be unique, with no names shared with another roster. Similarly, all player rosters in Lottery Draw B must be unique, with no names shared with another roster.**
