Save the Date! April 30-May 2, 2027

On behalf of the Canadian Academy of Legal Studies in Business (CALSB), I am delighted to invite you to join us for our Annual Conference in Winnipeg, Manitoba — a vibrant and historic city at the geographic heart of Canada.

Each year, the CALSB Conference brings together an engaging community of scholars, educators, practitioners, and professionals who share an interest in the evolving connections between law, business, and society. It is an opportunity to exchange ideas, showcase new research, engage in thoughtful conversation, and build collaborations and friendships that extend well beyond the conference itself.

Winnipeg provides a particularly fitting setting for those conversations. Situated at the meeting of the Red and Assiniboine Rivers, the city has been a gathering place for thousands of years and remains a meeting point of peoples, cultures, ideas, and commerce. Today, Winnipeg combines its rich Indigenous, Métis, and immigrant histories with a thriving arts and cultural community, remarkable architecture, excellent restaurants, and the warmth and hospitality for which the Prairies are known.

We hope you will take some time to explore The Forks, the Canadian Museum for Human Rights, the Exchange District, and Winnipeg's wonderful culinary and cultural scene — and perhaps discover a city that has more to offer than you expected.

Most of all, we invite you to join us for thought-provoking scholarship, lively conversation, and meaningful connections with colleagues from across Canada and beyond at the majestic Fort Garry Hotel.

We look forward to welcoming you to Winnipeg for another memorable year of learning, discovery, collegiality, and community with CALSB.

Warm regards,

Dr. Patricia Hania
