Digging deeper

What it means to dig deeper.

Read: Read the Bible verse of the day. Don't forget that when you read a Bible verse, you also need to look at the context surrounding it.

Cross-reference: Reference another text or part of a text, typically given in order to elaborate on a point.

Research: Look further into what the Bible verse means. Is there an overarching theme throughout the Scriptures? Is it a timeless teaching, meaning does it transcend time? Or is it a cultural concession, meaning was it meant specifically for the time it was written. Then identify how you are to apply this to your own life.

Meditate: Filling your mind with God's Word. Thinking about what you just read and learned.

Write: Write out questions or thoughts about what you just read and learned. Any prayer requests or praise reports that you have.

Pray: Speak with God. Communicate with Him, don't just talk to Him. Praying is communication with the Lord. Prayer is not only asking God for things, but praising Him for what He has done, for what He will do, and what He chooses to do. And don't forget to pray the Scriptures.

Listen: Take time to sit and listen to the Lord's response to your prayers.

Respond: Here is where you get the opportunity to do what God has asked you to do.

Michele Arnold
