Multidisciplinary Team Management of Atypical Parkinson's

Sponsored by

PARKINSON'S

**Excellence
Network**

Duration: 1 day

CPD Hours: 7

Format: Face to Face

Date; 19th January 2026

Venue; Derby Mickleover Hotel

Fee: £130

Overview:

This one-day course is recommended for Allied Health Professionals and nurses with an interest in neurological conditions. Therapy management will be addressed and workshops for individual disciplines will form part of the day. Patients will give their perspective of some of these conditions.

The aims of the course are:

- Gain an increased knowledge and understanding of atypical Parkinson's conditions
- Understand the overall management of these conditions
- Understand and know how to implement therapy interventions
- Have an understanding of how such conditions can impact an individual
