Team**

# **Multidisciplinary Team Management of Atypical Parkinson's**

Sponsored by

**Duration: 1 day**

**CPD Hours: 7**

**Format: Face to Face**

**Date; 19th January 2026**

**Venue; Derby Mickleover Hotel**

**Fee: £130**

## **Overview:**

This one-day course is recommended for Allied Health Professionals and nurses with an interest in neurological conditions. Therapy management will be addressed and workshops for individual disciplines will form part of the day. Patients will give their perspective of some of these conditions.

The aims of the course are:

- Gain an increased knowledge and understanding of atypical Parkinson's conditions
- Understand the overall management of these conditions
- Understand and know how to implement therapy interventions
- Have an understanding of how such conditions can impact an individual
