WHAT IS THIS CONFERENCE ABOUT?

This one-day event brings together speakers from sport, healthcare, psychotherapy and business to explore the human side of being a clinician. Rather than focusing on clinical techniques, the day is designed to help you:

Understand Yourself &
Your Decision-Making

Reflect on your Current
Career Direction

Explore what comes
next in your
Professional Journey

WHAT TO EXPECT

- Thought-provoking talks from expert speakers
- Guided reflection and self-awareness exercises
- Honest conversations about career progression
- A supportive and collaborative environment

WHO IS IT FOR?

Healthcare professionals who:

- Feel unsure about their next step
- Want more than just clinical progression
- Are interested in developing beyond traditional roles

THIS CONFERENCE IS FOR YOU IF YOU...

Value Connection,
Reflection and Shared
Experiences

Want to Grow in
Confidence and
Curiosity

Are ready to take
Ownership of your
Career Journey

Want to translate
Self-Awareness into
Meaningful Action
