Please register your child as early as possible so we at Space Shuttle Transportation can make every effort to accommodate the transportation needs of your child. Routes are location based and cannot be finalized until we have the final numbers. If for any reason we are unable to provide your required transportation, we will notify you and refund your registration fee. (Other than this exception, Registration Fees are non-refundable)

Our transportation services and fees are based on the published Rutherford County School Calendar, including early release days. We are unable to refund fees for any unscheduled days off, such as snow days, children not riding due to vacation, sickness or quarantine, etc. Billing is sent out monthly and payment is due upon receipt. If your invoice isn't paid by the due date, your child will not be allowed to ride, and a late fee will be assessed.

A 30-day notice is required should you wish to discontinue using the Space Shuttle Service.
