

Prime Directive

**drafted this day
01/26/2021**

Founder
Chair of the Board
Grand Admiral

Austin A. Cochran
Austin A. Cochran

All conscious life is divine.

All divine life shall be granted equal rights and protections.

All other life can only be resourced to protect, aid or nourish divine life.

Free will is a blessing that can be taken away if abused.

Follow Albert Einstein's theory "Why Socialism?"

Spread love, joy, kindness, and happiness

Live a clean, healthy, and moral lifestyle

Obey the Code of Moral Responsibility

Independent Sustainability

Fight for Social Justice

Be in service of others

Protect Mother Earth

Increase biodiversity

Live without excess

Assist the non able

Expand knowledge

Explore the galaxy

Educate
