

## Meeting Notes: Night of Prayer (June 5, 2013)

We met on May 29, 2013; however, this was a Social Week; therefore, no notes were taken. These notes capture our June 5, 2013 meeting, which was a Night of Prayer (NOP). NOP is where we sit at the feet of Jesus to hear what He wants to speak to us! At the end of our prayer time, those who feel led, share what they heard. Topic notes may not be in the order discussed during group, and they are not intended to cover everything discussed. They are intended as highlights to capture the essence of our evening. General notes follow each topic that was discussed.

### TOPICS DISCUSSED:

#### Social Time:

- During this meeting, we celebrated June birthdays. Those present made a “Happy Birthday” video that was sent to the celebrants who were unable to attend.

#### Prayer Time:

- Both of us present were in a place where God wanted us to work on our next 21-day prayer. For me, that meant, I needed to go back and consolidate the many things He taught me during my first 21 days. During that time, I was taken to specific scriptures in James. At the end of prayer, it turned out God had also taken the other person present to James. In the end, we were able to truly celebrate all God has done in both our lives through our 21-day prayer.
- While I didn't take notes during our discussion, I did capture one key phrase: **patience is perspective!** The visual image God gave me to go with this phrase was from the old westerns where one person would be riding on the horse and the other person was walking behind with a rope attached to them. If the person walking became weary or just couldn't keep up, they would fall down. If the person on the horse kept going, they would end up dragging the person behind them to death! Literally! **Takeaway:** Learn how to wait on others by being patient when they are weary or cannot keep up! Things look much different along the journey when you're the one riding the horse!

#### Upcoming Events:

- Our next meeting was originally scheduled to be a Raising Godly Women (RGW) session. However, between vacations and other life events, leadership is assessing what the upcoming meeting will look like. Rest assured, unless God intervenes, we will meet; but it may just be us "older" women :-). Once the plan

is developed, an email will go out to all attendees.

**Next Week's Assignment:**

- **Memory verse.** Please continue to work on our two memory verses: **Psalm 33:4** and **Psalm 51:6**. The more we sow the Word in our hearts, the more it will help reveal and push out the lies the enemy uses to torment us.

**Closing:**

- We closed our meeting in prayer with a time of need-specific prayer for the challenges that were lifted up, for the group overall, and as the Holy Spirit led.
