

Meeting Notes: February 20, 2024

Topic: 21-Day Speak Life Challenge Update

Current Vision: "Make Room"

Scripture: Hebrews 12:1

WELCOME to Women of Worship, Women of Witness (WoW2). These Meeting Notes capture the essence of our discussion. Therefore, some points might be grouped together for ease in reading.

DECLARATION OF FAITH: We will walk by more faith in the things we believe, think, speak, and do to cultivate more wisdom to better put on the whole armor of God!

CLOSING THE LOOP:

- 21 Day Speak-Life Challenge. We allotted time for sharing how the challenge is going.
 - Transformation has occurred! It's been a reconnection with God and the relationship we knew we had. Our emotions don't stop Him from loving us; He wants us to display His love inside and out!
 - Sometimes, we've not received anything when we're reading the Scriptures, but it helps to hear it out loud. Seems like we get more from Scripture when we ponder out loud.
 - It's okay when we fall behind or don't feel like we're getting anything, because we will be going through these same verses twice more in cycles of 21 days. Plus, we have eight days at the end of this cycle to catch up before the next cycle begins. So, don't let it get daunting, because we will hear and receive when we're supposed to!
 - Even though we've read these verses in years past, there've been times while doing this challenge that we've gotten revelation we weren't expecting!
 - We talked about the importance of going back to God with a child's heart! We become more receptive!

- Because of how much this challenge is changing us, we were able to handle a situation in a much different way! And we've been able to share the challenge with others!
- There's a time to speak and a time to be silent!
- We have the ability to interpret God's Word for how we need it in that moment that we need it for Him to reveal to us what we need.
- We didn't realize how many verses are in the Scriptures about the tongue!
- Optional 21-day fast. We discussed when to start our upcoming optional 21-day fast. Originally, I suggested April 1st, but in this meeting, I presented starting on March 11th. After discussing the reasons why, those present decided to start on March 11th, which will be included in the Announcements going forward.

HIGHLIGHTS FROM OUR EVENING:

- Because of everything that's going on in so many of our lives, we chose to do a Night of Prayer rather than wait until March!

TAKEAWAYS:

- Father, we pray that good words and words of affirmation will spread like a virus, because there is no one who doesn't need life spoken to them!

ANNOUNCEMENTS:

- We will begin an optional 21-day fast on March 11th. We can fast however the Holy Spirit leads, and if He doesn't lead us to fast, that's okay too!
