The Tongue

James 3:1-12 (NKJV)

The Tongue	=	The result
1) A bridled tongue		1) A Bridled Life
2) Small Mouth		2) Big Trouble
3) Tongue		3) Determines our obedience
4) Tongue		4) Dangerous ground
5) Tongue		5) Untameable by man
6) Quiet tongue		6) Listening to the Holy Spirit
7) Blesses God		7) Shouldn't curse men

Unlike our other T-Times, to capture the tongue we summed up the different concepts being conveyed and contrasted those instead of trying to capture each specific verse

Key points to this T-Time:

- We tend to obey what we speak, because what is truly in our heart is what tends to come from our mouth!
- While man cannot tame the tongue, the Holy Spirit can!
- We should not use our tongues to bless God and curse men!
- We all noticed how powerful the tongue is. Even though we have two ears, two eyes, as well as two lips to control our tongue, that one little member, if not tamed by the Holy Spirit, can create a lot of havoc in our lives
