

COMPANY PROFILE

ABOUT US

TAYLOR MARKETING INC. is a Manufacturers' Representative firm that specializes in the sales of high reliability electrical interconnect, power and signal integrity solutions. Doug Taylor founded TAYLOR MARKETING INC. in 1987. In 2016, John Lambert joined the company as a partner and owner. In 2020, Collin Lambert was added to the team to assist in our development of the Rocky Mountain territory and the greater Denver area. Tommy Drain, CPA, came on board in 2024 to help us achieve our goals for growth and service our customers.

Since its founding, the company aims to offer efficient and reliable services for our customers and the manufacturers that we represent. Our brand has a deep admiration for American Manufacturing and providing a professional sales experience for the companies that improve and protect the community. The competitive advantage of TAYLOR MARKETING INC. is extensive knowledge regarding our territory, markets, and customers.
