As discussed and planned, the **Job Fair and Forum** pushed through on November 29, 2022 at Ayala South Park, Muntinlupa City with a campaign on embracing diversity, inclusivity, and pride at work.

With the theme, 'Collaborations for Enhancing Education, Capacity Building for Employability and Sustainable Future', the Job Fair was held to encourage companies to eliminate discrimination and accept applicants from members of LGBT, Persons with Disability, and Senior Citizens.

Likewise, this hopes to motivate everybody from all walks of life, gender, age, and physical condition to not lose hope and use their talents and skills to make a living just like everybody else. Discrimination must become a thing of the past that individuals must look beyond what our eyes can see and appreciate the skills and talents that add value to society.

### 3. PCCI MCI Attends DTI General Assembly of Food Entrepreneurs

PCCI-MCI Vice President for External Affairs **Ronan Dela Peña** participated in the **General Assembly of Food Entrepreneurs** in NCR via zoom organized by none other than the Department of Trade and Industry in partnership with Metro Manila Association of Food Entrepreneurs (MMAFE) on November 23, 2022.

Committees were formed to discuss challenges being faced by food processors and retailers in each cluster - high cost of raw materials coming up as first in the survey, followed by shelf life, unstable supplies, and inefficient processing facilities as second, third, and fourth.

Elections followed in each cluster to better facilitate further discussions and tackle possible solutions in future activities.

The event was graced by DTI NCRO Regional Director **Marcelina Alcantara** and initiated by MMAFE President **Betty Dante-Aw**.

PCCI MCI VP **Ronan Dela Peña** was elected Public Relations Officer in Processed Meat and Plants cluster. This means PCCI MCI can receive first-hand information on discussions and events hosted by DTI and share it to our chamber members in food industry.
