

This Week: Electro-Mech Scoreboards

Hello and thank you for opening our latest newsletter. We sincerely appreciate your interest and, for many of you, your past purchases. We trust your school year has started well.

We have met with and spoken to many of you but please allow us, over the next several weeks, to show you how we might help make your job easier. Howell to Sports is here to assist you with your facility needs, be it a new scoreboard, new backboards or one of our many additional products. During the next weeks we are going to use each newsletter to highlight one of our products. If you would like to receive hard copies of our sell sheets and catalogs please e-mail Emily at emily@howelltosports.com and she will get them out to you quickly. If you see something that interests you and you would like to learn more, please call or e-mail me at 856-381-8888 or ed@howelltosports.com.

When I started this business more than six years ago I had only a vague idea where it might go. I am happy to say we have grown the business every year and, even more importantly, I have had the opportunity to talk sports and meet many great people. Thank you for working with us and we look forward to supplying your facility needs for many years to come.

Why choose an Electro-Mech scoreboard?

- Low-cost installation,

maintenance
and
power
through
energy-
efficient
LEDs
rated
for
100,000
hours
of
life

- Superior
LED
viewing
angle

- Financing or leasing available

Electro-Mech has sold scoreboards to schools all over the country, please take a moment and look at the [gallery](#) on their

website to see the variety of boards that they can provide.

We have the pleasure of providing scoreboards to the states of New Jersey, Pennsylvania, New York, Delaware and Maryland! If you'd like you can take a look at our galleries on our [website](#) and our [blog](#) you can see all the scoreboards that we have installed in our areas!
