

## **This Weeks Highlight: GameTime Scoreboards**

We do appreciate you opening our newsletters. This will be our final week presenting our product line. Following this week our newsletters will look much different. We will combine a combination of articles we think would help you, with product specials. If you are searching for athletic facility solutions, be it scoreboards or field paint we would welcome the opportunity to assist. Thanks for opening!

This week we are introducing a product that we just acquired the distribution rights to; GameTime Scoreboards. The Gametime Portable Scoreboard and Audio Player is designed to bring the fun and atmosphere of the stadium to your indoor & outdoor sports and activities.

By connecting your iPhone or iPad to the Gametime Scoreboard iOS App, you can remotely control and fully customize your Gametime Scoreboard as you play.

Here are a few reasons to own one of these:

- Super bright LED for indoor and outdoor use / adjustable LED brightness;
- No rain outs with IPX4 water and weather resistance capacity (-10°C to +40°C / 14°F to 104°F);
- Powered by A/C adapter or rechargeable lithium-ion battery (up to four hours autonomy);
- Remotely set time, score, and period with the Gametime Scoreboard iOS mobile App (Android version under development);

- Timer available in “Count Down” and “Count Up” mode;

As always, if you would like to sit down and discuss this opportunity, please e-mail Emily at [emily@howelltosports.com](mailto:emily@howelltosports.com) and she will respond quickly. Or, please call or e-mail me at 856-381-8888 or [ed@howelltosports.com](mailto:ed@howelltosports.com).

## Special Offer!!

**From now until the end of the year you can purchase this scoreboard for only \$529 vs. what it usually goes for at \$599!! So hurry and order one today!**
