## Products To Upgrade Your School Or Facility

Hello. Welcome to our latest newsletter. We understand that you are in the middle of your winter season but, believe it or not, it's not too soon to start thinking about the spring! March, and the start of your spring seasons, will be here in six weeks. Thus, if you are planning to upgrade your spring fields you need to start considering how you will do that.

We can help! If you are looking to add, replace or upgrade your spring sports scoreboards we would welcome the opportunity to assist. If you are considering new windscreens for your tennis courts or baseball/softball fields, we can help you with that. Finally, if you need field marking paint or field/parking lot stencils please call us to get a quote.

Just one more item to discuss. If you would like to find out more about how you can actually make money by spending money please give us a call. If you would like to sit down and discuss this opportunity, please e-mail Emily at [emily@howelltosports.com](mailto:emily@howelltosports.com) and she will respond quickly. Or, please call or e-mail me at 856-381-8888 or [ed@howelltosports.com](mailto:ed@howelltosports.com).

Take a look at these [money making tables](#) and thanks again for opening our newsletters.

1. Windscreens  
(aka  
fence  
screens,  
fence  
covers,  
privacy  
screens)  
protect  
your  
open  
dugout  
area  
or  
tennis  
court  
from  
wind.  
Depending  
on  
the  
fabric  
type,  
your  
windscreen  
might  
provide  
a  
fair  
to  
substantial

amount  
of  
wind  
blockage.

2. Keep  
your  
players  
focused  
instead  
of  
distracted!  
Order  
a  
windscreen  
for  
your  
fields  
and  
help  
your  
players  
succeed.

3. A  
solid  
background  
reduces  
visual  
distractions,  
increases  
visibility  
and  
eliminates  
unwanted  
onlookers.

4. Dress  
up  
your  
baseball  
field,  
and  
make  
it  
safer  
and  
more  
playable.

Fence  
screen  
(or  
windscreen,  
privacy  
screen)  
can  
provide  
help  
with  
wind  
blockage,  
but  
also  
gives  
you  
a  
visual  
separation  
and  
background  
for  
your  
field  
with  
team  
branding,  
sponsorship,  
or  
advertising  
potential.

5. Windscreens  
offer  
an  
attractive  
visual  
background  
for  
outfields  
and  
tennis  
courts.  
They  
add  
a  
finishing

touch  
that  
will  
impress  
visitors  
and  
provide  
an  
overall  
appealing  
playing  
environment.

6. Windscreens  
provide  
the  
fenced  
area  
with  
privacy  
and  
separation  
from  
adjacent  
properties  
and  
other  
distractions.

7. Windscreens  
provide  
an  
opportunity  
for  
branding.  
Add  
lettering  
or  
logos  
to  
your  
windscreen  
to  
boost  
school/team  
spirit,  
or  
generate

revenue  
from  
sponsors.

8. Another reason for having them is to muffle noises coming from outside the fence. This can be helpful if the park is near a busy road or highway where the traffic is high and could distract the players while the game is going

on.  
9. Also,  
it  
helps  
provide  
a  
point  
of  
reference  
for  
your  
players  
to  
easily  
see  
in  
their  
peripheral  
vision  
when  
they  
are  
approaching  
the  
fence  
while  
going  
after  
a  
fly  
ball.

The face of athletics is changing. Everyone from players to fans and sponsors expect technology to be integrated into the game experience. [BoostR Digital Displays](#) specializes in creating easy-to-use, cost effective digital display options designed specifically for athletics. Whether you are looking for a digital scorer's

table for your gym or a versatile display cube that can be easily moved around your campus, we have displays to fit every need. We even offer custom display options built to fit your program's needs.
