

SPRING SPECIALS & WINTER CLOSEOUTS

Thanks again for being a loyal newsletter reader. We do appreciate your interest and support. Your winter sports are on the final leg with spring sports practices about to begin. We would like to assist you with your last minute preparation. If you have waited until now to consider a spring scoreboard, windscreen or baseball screen please give us a call. You will see in the body of the newsletter that we have a couple scoreboards at very special pricing. If you have delayed making that decision until now it may have actually been beneficial.

With winter sports coming to an end we would like to offer you special pricing on a new digital scoreboard you can use for spring open houses, graduation, as a way to welcome visitors to your school or for the special events you have in your gymnasium. This deal is only good until March 31, 2018 so you will need to act quickly.

Finally, we have one additional special. If you, or someone in your facility, is in the market for a new conference table please give us a call. We are offering a 10% discount through the end of March.

Thanks again for being a loyal customer and reader of our newsletter.
