

# Tuffy® WINDSCREEN

## WORLD'S TOUGHEST, MOST DURABLE SPORTS WINDSCREEN

Made of our exclusive VIPOL® Matrix, Tuffy Windscreen is super durable because it contains over 50% more micro-fibers than standard windscreens. It's virtually tear-proof and is backed by a 5 YEAR *limited factory WARRANTY*. Edging all around is fully wrapped with VIPOL Matrix, and the highest quality brass grommets are installed every 12". This extra heavy duty edging construction virtually eliminates the nagging problem of grommets pulling through standard windscreens. *Every end and corner is DOUBLE lock-stitch finished to eliminate the unraveling problem of fully chain-stitched windscreens.*

**ULTRA PREMIUM QUALITY YET SURPRISINGLY VALUE PRICED.**

Available in 23 VIPOL COLORS shown on back cover. Also available with Chroma-Bond® Imprinting (See Page 14 for details)

Standard 6' and 9' High x Custom Lengths Custom Heights from 1' to 30'+

## Tuffy Windscreen FOR ALL SPORTS

Official Windscreen
