

DRESS UP YOUR FACILITY THIS BASEBALL SEASON...

Aer-Flo's Wind-Weighted® Rain Covers include chain sewn in the perimeter to keep tarps protecting your mound and plate during high winds. Thousands are in use by High Schools and Colleges. Non-Weighted Tarps also available. Our Major League quality Pro-Tector™ Full Infield Covers are constructed like no other and include pull handles and grommets installed every 10'. Both Standard and Custom Sizes offered. **Photo by Laura Wolff of Charlotte Knights**

Protect your grass with BP Zone® Infield Turf Protectors and Cage Collars. Perfect for Team Branding and Corporate Advertising just add our sharp, vivid, Chroma-Bond® Imprinting. Available in 23 Vipol® Matrix Mesh Colors. Player safety is necessary so install Aer-Cushion™ Padding on Walls, Dugout Rails, and Backstops to reduce injury risk. Add Digital Imprinting with Clear-Coat Finish for extra protection. 17 different 18oz. Vinyl Colors to choose from.

Made of our exclusive Vipol Matrix, Tuffy® Windscreen is extremely durable because it contains over 50% more micro-fibers than standard windscreens. It's virtually tear-proof and is backed by a 5-YEAR limited factory WARRANTY. Includes 3-Ply Reinforced Edging around the perimeters and the highest quality brass grommets are installed every 12" O.C. Each end and corner is DOUBLE lock-stitch finished to eliminate unraveling. Chroma-Bond Imprinting and Chroma-Bond Digital Imprinting are both available on this material.
