It's almost pool time!! And the HOA has started its preparation for the summer by having the pool replastered and new umbrellas for the tables ordered as well as continuing the replacement of the pool furniture that has seen better days.

If you signed up for the pool last year via the new system you **DO NOT** need to sign up again, your passes are still good. If you are new to the community or didn't get a chance to sign up last year, you can visit grandehoa.com to submit your application. Remember, you must be current on your HOA and TOA or COA fees to access the pool.

Once approved your pool passes will be sent to the clubhouse for you to pick up the first time you visit the pool this summer. The pool will be open weekends only from Memorial Day to June 19th when it will go full time until Labor Day. Please keep an eye out as we get closer to opening day for information about the pool and hours.

NEW COMMUNITY WEBSITE!!

Looking to see if the pool is open, updates on meetings, links for resale info, then visit the Grande's new website to find out this and all the fun stuff going on in the community.

We're excited to announce the update of the work out area at the clubhouse. We have added a new treadmill & elliptical machine as well as a soon to be added smart TV so you can access your workout accounts such as beach body or peloton to help you stay on track.

Please stop by to check it out and if you need to get a new key fob so you can access the gym at any time then reach out to Amanda first to set up a time to stop by so she can get you all set up.
