NOT to be a negative Nancy, but I miss your faces and I'm sad that we will not be getting together for the Snowflake luncheon this month. BUT, looking ahead I feel that the world is starting to safely open up in a positive fashion so THAT is a big step forward leading to a great Boating Season!

Our Fleet Captain Elizabeth M has some insights and reminders about the 2021 Cruise schedule to share with us.

Rear Commodore Paul T is continuing to focus on upcoming land events and festivities kicking off the new boating season.

Our Secretary Sara has a few reminders for us.

Brought back by popular demand, we have a new installment of The Real Dogs... of the Sassafras for your reading pleasure.

A new feature: Happy Berthday Crew! makes it's first appearance in this issue.. Regretfully, January, February and a few March birthdays were missed. Sincere belated berthday shout- outs to - Annette Brunton January 4, Tom Cody February 20, Scott Nolan March 1 and Cheryl Carmody Murphy March 8!

Hi ALL!

I just wanted to send a "[spring](#)" update on who is confirmed thus far for the cruises of the summer.

Additionally, Anne from St. Michael's has asked me to confirm if we think there will be any more boats to add. We have five (5) confirmed thus far. I did tell her tentatively that Nauti Faux would be coming, and she was waiting for a call from No Good Deed. Also, I talked with Log Pond, in Havre de Grace, and she is taking down a list, but wanted to wait until August to run Credit cards. She has me confirmed as the fleet captain so I can help her chase folks down if need be.

Each marina I speak with says this summer will be "hot" with marina action - many folks cruising a bit more comfortably than last year, travel still being somewhat

limited to your surrounding area, so we will want to be sure to get the spots we need. template.

Happy March to everyone.

So excited that the official countdown has begun for the 2021 Season. It has been a very long winter and I do hope that everyone has been safe and healthy. With that being said if you have not renewed your membership or booked your summer cruises now is the time.

On March 4, 2021 a membership reminder and instructions re payment methods was sent out to each member. Please let me know if you have questions or did not receive it.

Remember to mark your calendars for the Season Opening Day on May 15th. More details from your Rear Commodore, Paul Thompson to follow as we get closer.

Speaking of the Countdown I have THREE words - Book Book Book!! Many great cruises and time for fellowship to enjoy.

Thank you for all of your support.

The 2021 boating season will be here before we know it. Soon everyone should be busy getting their boats ready.

The club's official kickoff of the 2021 boating season will be on May 15th from 12-3 PM at the Skipjack Cove Marina pavilion. We are hoping for fabulous weather and a record turnout. Members are encouraged to enter their best into our Chili Cook-Off, which will be followed by the traditional Sock Burning ritual welcoming in the new season. We are also planning a silent auction for some valuable gifts and also a 50/50 raffle.

Please mark the date and look for an email with more details in the coming weeks.

The Real Dogs of the Sassafras River Yacht Club

Editors note: The order in which your 'REAL DOG' appears in the Nauti News, in no way indicates a preference by the Editor of any kind. You never know... YOUR dog might be next!

Taggart (Ayn Rand reference)

My boat Halina, My dock F23 Skipjack Cove

Age: 3 (birthday 30 December 2018)

Breed: labradoodle

Likes: Pets and cuddles from people, playing fetch in the water, and his very own dinghy

Doesn't like: reluctant on the boat stairs into the galley, gets upset when people come by our boat without make sure he gets petted!

Our two dogs are Brandi and Piper.

Brandi is a JRT/Eskimo mix. I call her a jackimo.
She is 13 years old and loves riding on the
whaler or floating on a raft.

You can find me on OUR boat not sure what it is
yet, but SOMEWHERE on F Dock Skipjack
Marina

Brandi and Piper continued....
Introducing the youngster: Piper

Piper is a Cavapoo. She is 1 year old and learned
very early on how to "swim" when she tried to
jump onto the boat and fell off the finger pier into
the water. She looked to her older sibling for
assistance but Brandi was totally unsympathetic
and no help at all! In a short time Piper
has become equally comfortable in all aspects
of boating life. She is especially good at
being the cutest at Docktails where people ooh
and ahh over her while BEGGING her to play
fetch with them. pssst, side note: (She loves to
play fetch).

You can find me on OUR boat not sure what it is
yet, but SOMEWHERE on F Dock Skipjack
