

TOUCHDOWN CLUB MEETING
May 8th General meeting

WELCOME AND APPROVAL OF MINUTES

Crystal Brooks called the meeting to order at 7:14pm

COACH GIBSON

Coach Gibson talked about the merits of the strength and conditioning program that was conducted by the outside organization last year. The feedback from coaches and the players was consistent that we will get more out of the program if we do this internally. There is a fee for the camp but will find way to make it work for any students that need support to attend. We will ensure all students can attend.

This year we will get to work with the incoming ninth graders a week before the JV/Varsity teams.

The weight room will be open in the two weeks between the end of school and start of strength and conditioning for the boys to workout.

Coach is feeling good about spring ball and where the team is at this time.

Coach shared our current number are that we have 86 players in grades 10 thru 12 in the program.
