

TOUCHDOWN CLUB MEETING

June 26th Board meeting

WELCOME AND APPROVAL OF MINUTES

Crystal Brooks called the meeting to order at 6:30pm

COACH GIBSON

Coach Gibson was not able to attend this meeting but had provided Crystal with information prior to the meeting with his input of areas of support the team needed.

One specific request was from Coach Herbert to purchase a sports drone that can be used to take video above the line to better coach the line activity of the game. The board approved this request and Crystal will inform Coach of the approval.

PRESIDENTS REPORT

Crystal provided an update on the following areas:

- **TEAM SNAP** – Crystal reinforced the need to encourage parents to register for TDC and provide their email on team snap. The goal is to close the office 365 list by September 1st.
- **Membership update**- we have a total of 55 registrations to date with 45 complete and 10 in progress. 52 TDC memberships have been sold.

TREASURER REPORT

The financial report was covered thru May 31st to include income, cash on hand and expenses to date.

NEW BUSINESS

- **Corporate ads and Spirit ad update**- Kathy Reddin provided an update. For Corporate ads we have 16,500 to date with checks received for 8150. We reinforced the need to pass the word to get corporate ad sponsors and will be sending out an email to all parents to reinforce this. This is the largest source of income for the program. Spirit ads are starting to come in and we discussed communication with both Cheer and Star to continue to inform parents of getting their ads in. We will reinforce all of this at the July meeting.
- **Spirit wear update**- Leigh Gibson provided update on summer gear. She will be passing it out at the indoor this week to the boys.
- **Captains camp**: Liz Jackson and Crystal Brooks provided an update on the current thoughts for captains camp week. Details are still being finalized but current plan is for 3 days the week of 8/6 with two days of activities and one day of volunteer service.
- **Volunteers**: Crystal reviewed all of the upcoming activities between now and the end of September where we need volunteers. The biggest gap to date is we do not have a concession chair. We discussed the potential to split the work into food and beverage inventory and volunteer coordinator. We will be making this need a priority to talk about with parents in the July meeting and will have sign up sheets at the meeting for each game. We have an additional 5 games that we need to cover concessions for to cover the Hunt middle school games.
- **7/18 all team meeting**: Crystal is going to request 30 mins during the meeting to review the needs we have for volunteers from parents and we will be setting up booths to sign people up at this and kickoff BBQ.
