Hello, my Camper Friend!

It is the beginning of another wonderful camping season in Wisconsin. We have had a great start to the season at our Rally at Country Roads Motorhome and RV Park in Lake Delton.

We had 16 units in attendance; Vicki and Steve Cole, Kim and Dave Fredrickson, Barb and Butch Haeni, Sharon and John Kaney, Angela and Harold Larsen, Joann and John McCarthy, Peg and Tom Myhre, Judy Olson and Jeff DeBoer, Carol and Bill Omernik, Mary and Bob Peschka, Janet and Steve Riley, Ray and Rob Sherman, Beth and Jim Sowatzke, Betty and Robert Strosin, Linda and Tom Szalkucki, Barb and Guy Thomas, Liz and Bob Thompson.

We were lucky to have beautiful and warm weather. We went out for dinner at Lake City Social on Tuesday evening. Our group had a lot of laughs playing Bean Bag Baseball on Wednesday afternoon before a potluck dinner that evening. Terri Holm sold her RV one week before our Rally but she came to the potluck dinner and brought Teddy along. I was very happy to see Beth looking so good after her cancer treatment. She and Jim are going on an Alaskan Cruise in June so they won't be attending our Rally in June. We missed our Treasurer, Carol, and Jim De Young. She is also going through treatment for cancer and had the added complication of unexpected abdominal surgery that was not part of her breast cancer. We sincerely hope she feels better soon.

Carol sent a Financial Report to me, which was printed and distributed to the group attending the Rally. I will add it to this email.

NEW!!

We have details about an added Rally in September. This Rally will be hosted by Joann and John McCarthy. The Rally will be held September 8-11 at Skillet Creek Campground, E11329 State Road 136, Baraboo, Wisconsin 53913. Phone number 608-356-4877. Sites are being held for us until June 12, 2025. Please call the campground to make your reservation. This campground has cabins available, swim pond, catch and release fishing, and hiking trails.

Scheffel's Hideaway Rally in June

I have made dinner reservations for our group when we are at Scheffel's Hideaway in June. The reservation is on Tuesday June 10 at 6:00 pm. (I know we have one couple arriving on Tuesday and I didn't want them to be rushed.) Dinner will be at the Water's Edge Restaurant, in the Lighthouse Inn, in Two Rivers. Go to Lhinn.com then choose "Water's Edge Restaurant" from the drop down menu, to see the restaurant menu. I WILL NEED A HEAD COUNT FOR THE RESTAURANT, SO PLEASE REPLY BACK TO ME IF YOU WILL BE ATTENDING. The week before the Rally I will send out a schedule for our time at Scheffel's. Harold and I were at Scheffel's this week, came home yesterday. I walked the trail from the campground to the shore. We are looking forward to being here with our group.

Sadly, we have lost a member. John and Shirley Metz joined our group last summer at Camp Winnebago. They had planned to come to our Rallies this summer. John unexpectedly passed away in February. Shirley notified me that she wanted to be removed from our member list and she has already sold their RV. I mailed a sympathy card to her from our group.
