

Agenda for Indian Shores Campground Augst 10th – 13th

Indian Shores Campground
7750 Indian Shores Rd
Woodruff, Wisconsin 54568
Ph 715-356-5552
Monday, August 10–Thursday, August 13

Hosts: Angela and Harold Larsen, Kim and Dave Fredrickson

We are looking forward to another great camping trip. Indian Shores Campground is located just outside the cute, vacation town of Minocqua. Our campground is on Lake Tomahawk. There is a swimming beach on the lake and a swimming pool. They also have a marina and rental boats.

When you check in, you will receive a map to the campground. The staff WILL NOT escort us to our sites, unless you request it. You may unhook your towed car at the office, but I am told most drivers unhook and move their car away near their site, then back the RV in. Be aware, the area we are in is a “dead end”. Please look at the map and be aware before driving too far.

I will bring paper copies of this agenda and have them available at the “hot dog table” on Monday afternoon.

Harold and I are arriving on Sunday, along with the Fredricksons, and I believe the Szalkuckis.

The activities hall is open 9:00–5:00 daily and we can gather there during the day to socialize, play card games, if we have rain.

There is a parking area across from the Lodge/Office/Activities Hall.

Monday, August 10

- Campground check in time is noon. Beginning at 3:30 I will have hot dogs, a variety of chips, and cookies at site 213. Bring a chair and a drink, and relax after your drive.

Tuesday, August 11

- Breakfast: Coffee will be ready at 8:00 at site 213. At 9:15, I will take the coffee pot to our potluck at the Lodge. Breakfast potluck will begin at 9:30. We will provide orange juice and a variety of Wisconsin's State Pastry, the Kringle. Please bring something else to share. (We can't get into the Lodge until after 9:00.)
- Dinner: 4:30 Potluck at Lodge. (office closes at 5:00, so we need to be let in before they leave.) We are providing pulled pork and coleslaw. Please bring a dish to share. After the office staff leaves at 5:00, the only bathrooms nearby will be at the pool or the marina. The office bathrooms will be locked up. Please refer to the map.

Wednesday, August 12

- Breakfast: Again, coffee will be ready at 8:00, outside site 213. I will move coffee to Lodge at 9:15. Breakfast will begin at 9:30; this time we are presenting Wisconsin's favorite gas station donuts, from Kwik Trip. Please bring something to share.
- Happy Hour at 4:30. Tonight we have dinner on our own, so we will have a “heavy” Happy Hour (instead of a restaurant outing) at site 213. Please bring appetizers/snacks/drinks/chairs. After Happy Hour, you may want to have dinner at your rig, or go into town for dinner, or some of us will likely remain gathered outside at or near site 213.
- There is a 7:00 waterski show Wednesday evening on the lake in town. The location is on the lake off of the Thirsty Whale restaurant, so if anyone is interested in going, the Thirsty Whale would be a good place to head to for that.

Thursday, August 13

- Breakfast; Coffee and breakfast leftovers will be ready at 8:00 at site 213. Weather permitting we will stay at our campsite area for breakfast outside. We will set up at site 213 so we can be close to our sites to prepare for leaving. Campground check out time is noon. (Harold and I are staying at the campground until Friday.)
