MAY 2026

ASHA News: Important Updates

It's the last month of the 2025-2026 school year! End of the year field trips and class celebrations are being scheduled. We will do our best to keep you up to date on everything happening here at ASHA. If you're not already, make sure you are checking your GroupMe app for updates, too.

2026-2027 Registration Registration is now open for the 2026-2027 school year. You will need to log in to your GradeLink account and fill out the Re-enrollment forms. If you do not have the documents to attach yet, you can check the boxes and submit the enrollment, then email those document to ASHASchooloffice@gmail.com as soon as you have them ready. Please note all these items must be turned in prior to the start of the new school year. The Second Chance Early Discounted Registration fee is now \$200. It will be available until May 31. We will continue sending reminders along with the link for payment. The registration fee must be paid in order to guarantee a spot for next year so don't delay as we foresee having a waitlist for the coming school year. This must also be paid prior to the start of the school year or your child will not be able to attend.

New Building Progress The new building is officially open! Our older students started there after they returned from spring break. Right now the plan is to have Hangar 3 come hang out at our Racetrack campus to see how our younger students do in the new space. As we end the school year we are excited to have the space for our PreK and Kindergarten graduations and our class celebrations. We can't wait to have it full of students soon!

Thank you for your continued support and cooperation.

The Step Up for Students Scholarship opened for the 2026-2027 school year on February 1st. Don't wait to apply, your award number will be due for the completion of your ASHA registration.

Volunteer Opportunities

Be on the lookout in GroupMe for when volunteers will be needed for specific events. If you are intrested in volunteering at the school please reach out and we can find some areas where we may need help.
