ASHA BEACON

The Official Monthly Newsletter for Advanced Sacred Hope Academy

DECEMBER, 2023

DIRECTOR NOTES

It's so hard to believe that we are at the end of 2023! ASHA has had quite the journey this year, and I'm so blessed to have been along for the ride! We are capping off the year on a high note following our 2nd Annual Gala Night that was held on December 2. Thank you to our ASHA families that were able to attend this incredible event, along with 200 other community and business leaders. Our local area (and beyond!) is now on alert that ASHA is making strides to provide an inclusive educational setting for students with autism and special needs to grow and thrive.

As we finish up this first semester of school, we will be busy with many activities to celebrate the Christmas season. On behalf of all our Administrative team, teachers, supervisors, and therapists, we wish you and your family a joyous Christmas and blessed New Year!

Davi
