

Forensic Mapping Training Class using Total Station, Evidence Recorder & IMS Map360

Hosted by Kansas Highway Patrol
Critical Highway Accident Response Team

June 24-28 2024

Monday and Tuesday will be spent inside focusing on theory and functions of IMS Map360 software. Wednesday through Friday will be hands-on exercises outside utilizing your total station by gaining valuable field experience. All aspects of training are designed to prepare the investigator for court challenges and ensure the forensic technician is prepared to understand and apply accepted protocol.

Class Location:

Kansas Department of Transportation
650 N K-7 Hwy, Bonner Springs, KS

8 AM to 5 PM Monday-Friday

Student cost is \$1195.00

Payments accepted are PO, Check, Visa, MC.

How to register:

Email sophia@csimapping.com a completed registration form and payment details.

Please have the total station and data collector batteries charged. Evidence Recorder software should be installed and registered.

Bring a laptop with IMS Map360 Forensic CAD Computer Software installed and registered or in demo mode with at least 5 days of use left at the time of the class.

**Please call if you need assistance.
1-800-810-9178 Ext 107**

Requirements for class:

Students are responsible for providing their own equipment including laptop. Demo software is available for Evidence Recorder and IMS Map360.

Class Registration and Refund Policy:

Seats in the class cannot be assured until full payment and registration is received. Full refunds are available for paid registrations canceled more than 10 days before the start of the class. A \$20 processing fee will apply.
