

Forensic Mapping Training Class using Total Station, Evidence Recorder and IMS Map360

Hosted by Overland Park Police Department, KS

Presented by CSI Mapping

April 15-19 2019

Monday and Tuesday will be spent inside focusing on theory and functions of IMS Map360 software. Wednesday through Friday will be hands-on exercises outside utilizing your total station by gaining valuable field experience. All aspects of training are designed to prepare the investigator for court challenges and ensure the forensic technician is prepared to understand and apply accepted protocol.

Class Location:

Sanders Justice Center
12400 Foster
Overland Park KS 66213

Class runs Monday - Friday
8 AM - 5 PM

Student cost is \$995.00
Payments accepted are PO, Check, Visa, MC.

How to register:

Email a completed registration form to:
sophia@csimapping.com

Please have the total station and data collector batteries charged. Evidence Recorder software should be installed and registered. IMS Map360 Forensic CAD Computer Software should be installed and registered or in demo mode with at least 5 days of use left at the time of the class.

**Please call if you need assistance.
1-800-810-9178 Ext 107**

Requirements for class:

Students are responsible for providing their own equipment including laptop. Demo software is available for Evidence Recorder and IMS Map360.

Class Registration and Refund Policy:

Seats in the class cannot be assured until full payment and registration is received. Full refunds are available for paid registrations canceled more than 10 days before the start of the class. A \$20 processing fee will apply.
