

Creating a Company Account within MAGNET Enterprise

Keywords

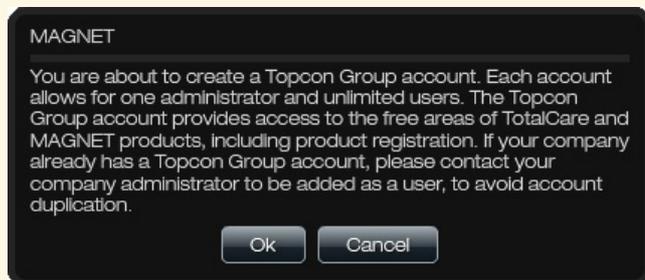

MAGNET Enterprise

The address for the MAGNET Enterprise website is:

<https://www.magnet-enterprise.com/magnet/>

Simply click on the **Create Company Account** button to begin the process of entering required information.

Stop! Please Read.

If you have already created an account within MAGNET Enterprise web service prior to this, please do not create a duplicate account. Instead, if you have already created an account, please log in using the e-mail address that was used prior for this software activation process. Otherwise, please proceed..

1. Fill in Required Information (once)

2. Master Subscription Agreement

After clicking the **Accept** button, a new Company will be created for you within the MAGNET Enterprise web service. This will only need to be done once.

3. Check your E-Mail. You just received a Temporary Password.

Next, the you will receive an new e-mail message. It will be sent to the e-mail address that was declared during the creation of a new **Company Profile** within MAGNET Enterprise. Looks like this:

From: Topcon
 Date: Wed, Mar 21, 2012 at 6:30 PM
 Subject: Your new Topcon Positioning Systems Magnet Enterprise password
 Hello, Your Magnet Enterprise password has been created, per your request.
 Login: username@e-mail_address.com
 Temporary Password: 123456
 Please visit Magnet Enterprise and log in to update your password.
<http://www.magnet-enterprise.com>
 Thank you,
 MAGNET Enterprise
 Topcon Positioning Systems, Inc.

This e-mail address and temporary password is what will be used for your initial log in to the MAGNET Enterprise website.

4. Initial Log in to MAGNET Enterprise

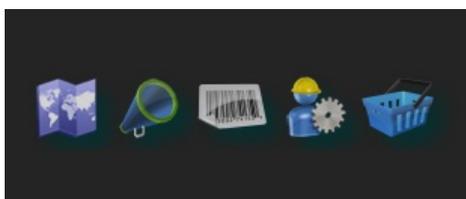

The login form is a dark grey rectangle with a white border. It contains two input fields: 'Login (email)' and 'Password'. Below the 'Password' field is a link that says 'Forgot your password?'. To the right of the input fields is a dark grey button with white text that says 'Members Login'.

Using the same **e-mail address** that was declared during Company Account creation within MAGNET Enterprise and **temporary password** that was sent, log in to MAGNET Enterprise.

You will be prompted with the opportunity to update your temporary password (that was issued within e-mail message provided) to permanent password of your liking.

Tip: It helps to copy / paste the temporary password from the e-mail message.

5. Your First Five Widgets of MAGNET Enterprise

Upon successfully login in to MAGNET Enterprise, you will see five [widgets](#) along the top. From left to right, they are: Map, News, Product Registration, Administration, and Store.
