What teachers are saying--

"Awesome amount of usable
content in a concise time--"

Jennifer Martin is definitely an expert in
her field. The strategies she has
created are timeless!"

"Extremely helpful with offering ways to bring
the new response formats into the classroom in
smaller pieces, so the students aren't
overwhelmed."

"Jennifer knows what she is talking
about. Her strategies are highly
effective."

- Jennifer (Jenny) Martin has over 34 years of experience in Texas public education. She now shares her expertise as an instructional strategist/reading language arts consultant for various districts all over Texas.
- As a member of the Trail of Breadcrumbs Team, Jenny has incorporated many of Gretchen Bernabei's highly effective strategies in to her trainings. Through Gretchen's mentorship, Jenny's workshops are hands-on and engaging.
- Jenny's strategies have helped students GROW not only with STAAR scores, but with college and career readiness.
