ABOUT US

Our Motto: "Delicious Food. Happy Customers."

We put our hearts into making that a reality. We strive to serve our communities a taste of the Mediterranean region, guaranteeing quality, affordable food, fast.

Our bottom line is to serve delicious, convenient, and healthy meals to our customers. We've mastered the art of fresh and authentic Mediterranean food with fast and friendly service through our values of dedication, empathy, enthusiasm, integrity and ambition.

Brandon Bahoura, our founder, was inspired by delicious meals his family made in his childhood. His goal was to open a restaurant that captured the same experience he had: exciting, tasty and healthy Mediterranean food.

Pita Way first opened in Clarkston, MI, in 2010. We are proud of our reputation for having great food, good prices, and a welcoming atmosphere. We want you to feel like you're part of our family when you walk through the door!

Because Experience Matters

About "Dr. Dave"

Dr. Regiani opened his first dental office in Ortonville in 1979. Always curious, he began taking classes about materials used in dentistry. In Feb 1981, a class in Cell Morphology showed the effects of mercury (the main part of silver-colored fillings) on a living human cell. From that moment on, everything changed. Technology and science would be forever linked, as Dr. Regiani wanted to bring the best of both to his patients.
