

ABOUT US

Our Motto: "Delicious Food. Happy Customers."

We put our hearts into making that a reality. We strive to serve our communities a taste of the Mediterranean region, guaranteeing quality, affordable food, fast.

Our bottom line is to serve delicious, convenient, and healthy meals to our customers. We've mastered the art of fresh and authentic Mediterranean food with fast and friendly service through our values of dedication, empathy, enthusiasm, integrity and ambition.

Brandon Bahoura, our founder, was inspired by delicious meals his family made in his childhood. His goal was to open a restaurant that captured the same experience he had: exciting, tasty and healthy Mediterranean food.

Pita Way first opened in Clarkston, MI, in 2010. We are proud of our reputation for having great food, good prices, and a welcoming atmosphere. We want you to feel like you're part of our family when you walk through the door!

About "Dr. Dave"

Dr. Regiani opened his first dental office in Ortonville in 1979. Always curious, he began taking classes about materials used in dentistry. In Feb 1981, a class in Cell Morphology showed the effects of mercury (the main part of silver-colored fillings) on a living human cell. From that moment on, everything changed. Technology and science would be forever linked, as Dr. Regiani wanted to bring the best of both to his patients.

Clarkston Community Band—Interim Conductor

Angie Scheu has called Clarkston home since the fall of 1999 when she and her husband Jeff relocated from her home state of Indiana. She earned a degree in music education from Ball State University. Mrs. Scheu is currently in her eighth year as director of bands at Oakland Christian School in Auburn Hills, also serving as chair of the Fine Arts Department. Her bands perform yearly at Band & Orchestra Festival garnering superior ratings, and her high school band performed at Disney World in 2022. Angie's career has taken her to a number of places outside of Michigan and Indiana including up-state New York and Shanghai, China, where she was a band & choir director at Concordia International School Shanghai. Mrs. Scheu is active in the musical community as a horn player in both Clarkston Community Band and Southeastern Michigan Wind Ensemble, serving on the board of SEMWE. Angie has been on the board of the Michigan School Band & Orchestra Association, District 4, since 2017. She is currently the vice president of Band & Orchestra Festival for that organization. In her spare time, Angie enjoys traveling and spending time playing with her two little granddaughters, Nora and Maggie.

Wally Ayotte dedicated his career to inspiring young musicians across the Walled Lake Consolidated School District in Michigan. As a beloved band director, Mr. Ayotte brought passion, precision, and heart to every rehearsal and performance. His tenure at Walled Lake Central High School helped shape the Viking Band Program into one of the region's most respected ensembles, known for its entertaining and award-winning performances.

Throughout his years of service, Mr. Ayotte cultivated a culture of excellence, mentorship, and musical growth. His students consistently earned top honors at state and regional competitions, and many went on to pursue music professionally or carry their love of performance into adulthood. Beyond the podium, Mr. Ayotte was known for his warmth, humor, and unwavering commitment to his students' success.

His legacy lives on in the vibrant sounds of the Walled Lake bands and in the countless lives he touched through music education.

The Clarkston Community Band (CCB), founded in 1890, provides the opportunity for amateur musicians to enjoy, once again, the pleasure of playing in a band under the Clarkston Community Schools Community Education Program. The membership of the band

represents a broad spectrum of backgrounds including nurses, school teachers, engineers, housewives, students, and senior citizens. The band has a strong sense of community purpose and provides free musical entertainment.

The Kroger Family of Companies is committed to community engagement, positive social impact and charitable giving at the national and local levels. Every community is unique, but our common goal is to partner with the neighborhoods we serve and help the people there live healthier lives.

One of the ways in which we do this is through our Kroger Community Rewards program. This program makes fundraising easy by donating to local organizations based on the shopping you do every day. Once you link your Card to an organization, all you have to do is shop at Kroger and swipe your Shopper's Card.
