Mona Delahooke, Ph.D.

“A New Lens for Understanding Children’s Behavioral Challenges: Practical Techniques for Supporting Trauma Recovery and Resilience”

on

**May 10, 2018**

*Early adverse experiences profoundly influence children’s brain development. Healthy relationships heal trauma and promote resilience for vulnerable children. National presenter Mona Delahooke, author of the book Social and Emotional Development in Early Intervention, will present practical and hopeful techniques to help our vulnerable children exposed to stress and trauma.*
