

Ron Albanese's Author Visits!

School Assemblies Featuring Live Reads, Music, and More!

With the release of his children's book *The Ohh-Ahh-Eee Bird!*, Ron has begun visiting schools and performing one-of-a-kind, engaging assemblies that students and teachers love!

They are “book-i-cal” and musical, educational, entertaining, and memorable - with a Ron Albanese school assembly, author visit, it’s totally smiles all the while!

Ron is the ONLY assembly guest who:

1. is a 25-year school teacher (reading and technology, pre-k through sixth grade!)
2. has been entertaining children and families for the same amount of time (25 years!)
3. is a parent!
4. is a professional, published writer, and frequent media guest!
5. has lots of Hawaiian shirts and does those high kicks!

In advance of Ron's appearance - everyone gets excited!

1. Students can read *The Ohh-Ahh-Eee Bird!* book!
2. Everyone can watch the book's theme song and video on Ron's YouTube channel!
3. Students can brainstorm, and come up with questions to ask Ron!
4. Everyone can color a picture of Ron and The Ohh-Ahh-Eee Bird!
5. Everyone can pick out a Hawaiian shirt to wear the day of Ron's assembly!

Ron's Author Visit Assembly Format! (Running time: 45 minutes)

1. Introduction by Ron - yes, this includes his famous greeting from all of his videos: "hi, everyone - it's ME, Ron Albanese!"
2. Live presentation of The Ohh-Ahh-Eee Bird! book - Ron does a read aloud of his own book, in his patented animated style! He brings the story to life!
3. After the read aloud, Ron conducts a Q&A about the story, art, characters - anything anyone can think of! Ron also explains the background of the story, and talks about his belief in the "magic" of reading and writing. The history of the book and bird character is an interesting one!
4. Live presentation of "The Ohh-Ahh-Eee Bird!" song - this is a "singing and winging" lesson, with audience volunteers (students and teachers - the audience can still do some of the song's moves at their seat locations!), and then the song. Ron sings and plays his guitar!
5. Ron plays some more songs, that are on his YouTube channel - including "Get Excited!," "Gettin' Ready To Go!," and "Moon Dancing!"
6. Ron can do a meet and greet (students or whole classes), poses for photos, and can also sign his book!

More cool stuff!

1. Hawaiian shirts/tropical wear suggested!
2. Ron has a cool stage setup! Behind him is a 10X8 banner (perfect for meet and greet photos), and The Ohh-Ahh-Eee Bird has his own banner, too! Ron brings all of his own gear - like sound, etc. He just needs an outlet, and sets up fast!

Pricing: for the best value possible, fees are assessed based on the following:

1. Audience age - Ron's author visits are great for pre-k through third grade
2. Audience size - no group is too small, or large!
3. How many assemblies we do - one or two?
