

JEWELLERY MAKING WORKSHOPS – WE BRING THE STUDIO TO YOU – ALL YOU NEED IS A TABLE

Pop Up Jewellery Workshops

Transform your home, workplace, or chosen venue into a pop-up jewellery studio. We'll bring everything needed – tools, materials and even a table protector, so you can enjoy a hands-on silver jewellery making experience in a space that's comfortable for you.

Create & Celebrate

Host a private workshop with friends, family, or colleagues. Whether you're celebrating a birthday, hen party, or simply looking for a creative wellbeing activity, our workshops offer a unique way to connect and create lasting memories.

No Experience Needed

Our fun and relaxed sessions are suitable for complete beginners. You'll be guided step-by-step by professional jewellers Lisa Castle and Liz Casey, who have over 40 years of experience in the jewellery industry.

What Can You Make?

Choose from a selection of beautiful silver projects such as hammered and stamped silver bangles or a trio of silver stacking rings. Please see our menu overleaf.

Prices start at £65 per person

Minimum group size - 4

Classes last around 4 hours

Please allow 1 hour for us to set up and 1 hour to pack down.

If you want to make something that isn't on our class menu please get in touch.
