

7-OH TABLETS

As low as \$.031/mg on tablets!

YOU CAN TRUST THE FIRST 7-OH TABLET MANUFACTURER IN U.S.A

We provide strategic sales for the original and largest manufacturer of 7-OH tablets in the U.S.

As the first company to produce 7-OH domestically, we continue to lead the market with unmatched capacity, quality, and pricing.

With the ability to manufacture 2 million extra tablets per day,

we're ready to support new clients with **turnkey or bulk solutions**, already trusted by over two dozen top 7-OH brands.

Our **in-house extract production** allows us to offer the **lowest market prices**, while our team of 5 PhD chemists and multiple internal labs ensure every batch meets exact customer specifications and is **rigorously**

tested in-house and by third parties, so your brand is protected.

Orders of up to **2 million tablets ship within 3 days**, and smaller orders within 1–2 days of payment.

Coming soon: **98–99% pure 7-OH extract**—available in bulk, tablets, and finished retail products—with **no residual contaminants** for a cleaner, more
