The University's Professor of Piano, Dr. Sujung Cho, accompanied Dr. Gibson and the collaboration was quite magical. In fact, the entire evening was quite magical with the Soprano's maternal relatives showing up in full force from many different South Carolina cities. But the highpoint was seeing the delegation from SCFMC in attendance which included, **Harriet Coker** and **Patsy Whitaker**, both members of the **NFMC Board of Directors**; and **Dale Clark** from the Orangeburg Music Club in Orangeburg.

Dr. Gibson performed works of Handel, Mahler, Mozart, Verdi, Gershwin, Johnson and Negro Spirituals. Excerpts from the concert can be viewed on Dr. Gibson's website: [www.CarolineGibson.org](http://www.CarolineGibson.org).
