Welcome Back, DCFMC!!! Here's hoping everyone had a delightful summer and is roaring to go with our recitals, competitions, socials, and whatever else you would like to do as DCFMC members.

Please be mindful of the recital dates and times which were included in the Summer Edition Newsletter (June 27, 2014). But for those of you who may have overlooked the Summer Edition Newsletter, the dates are listed to the left. Newsletters can always be found on our website: <http://www.DCFMC.org>

DCFMC Member Natassja Linzau is the Chairperson for the recital coming up on November 30, 2014. As is customary she will contact you regarding student participation if she has not done so already.

IMPORTANT NOTICE: The dues are now \$35.00 for individual members and remain at \$50.00 for clubs. Although this increase is necessary, DCFMC still remains the least expensive not-for-profit music organization in the Washington, D.C. Metropolitan area. Dues notification letters are enclosed with this newsletter and your continued support is requested and greatly appreciated. DCFMC looks forward to presenting even more performance opportunities for all.

Happy Halloween

All about town....

DCFMC, do we have any football fans amongst us? Our very own **DCFMC Vice President Alvy Powell** sang the National Anthem at the opening game of this season in September. The opening was televised so you may have caught the singing of the National Anthem on television. But that's not all, **DCFMC Vice President** was promoted from E-7 to E-8 in the United States Army Chorus. We congratulate Master Sergeant Alvy Powell on his promotion.

DCFMC President Muriel Hom under the auspices of Opera International and OCAW featured in concert at the Kennedy Center Terrace Theater Soprano Huanhuan Ma on August

3, 2014. **DCFMC Members Jessica Stecklein, Alvy Powell, Hong Fa Chu, and Hai Bo Bai** assisted with the concert preparation and presentation. The concert was dedicated to Amy Chuang Lee.
