

What is it?

SivooTV+ is a cable replacement solution that allow cord-cutters the freedom and flexibility to watch their favorite programming wherever an internet connection exists; from mobile, tablets and laptops to an array of smart TV platforms including apps on Samsung, LG, Roku as well as Android TVs and AppleTV services.

With a channel lineup boasting among the most comprehensive list, SivooTV+ brings the most popular and some obscure networks in addition to premium movie channels like Starz, premium Sports networks and Latino channels to our nationwide audience. Additionally, SivooTV+ offers 50 stations of 24/7 music covering most every genre.

What's Included?

We offer 4 packages, each with increasingly more channels*; every package includes the 50 music channels:

- **The CORE Package** [108 channels inclusive]
- **The ESSENTIALS Package** [171 channels inclusive]
- **The ELITE Package** [218 channels inclusive]
- **The ULTIMATE Package** [319 channels inclusive]

New channels are added to the lineup periodically; rarely are channels removed.

Each subscription account, billed on a recurring monthly schedule provides the account holder with five (5) simultaneous streaming instances. So, one account can be logged onto 5 devices and watch at the same time OR 5 users can share one account across devices. Profiles, which store favorites, are unlimited.

** Some channels in the lower packages may not exist in the middle tier packages... please review the guides.*
