

Requirements for ATL level 1:

- Able to read simple Arabic words
- No Arabic knowledge required

The following are examples of simple Arabic words, if your child is able to sound out what on the **right side** to match what on the left side (even not fluently), then level 1 is suitable for them.

Is-mii	←	إِسْمِي
Ki-taab	←	كِتَاب
Um-mu-haa	←	أُمُّهَا

**This is important as we do not teach how to read or to recognize Arabic letters.
