

Wamberal Surf Life Saving Club

ANNUAL REPORT

SEASON 2024-2025

Address:

1 Dover Road, Wamberal NSW 2260

www.wamberalslsc.com

Established 1950

Our History

For over half a century, Wamberal Surf Life Saving Club has played a vital role in keeping Wamberal Beach safe for the local community and visitors. As a volunteer driven, community based organisation, the Club is proud to receive strong and ongoing support from local residents and businesses in Wamberal and its surrounding areas.

The Club's logo features the iconic surf reel. A symbol of the early days of surf lifesaving before the introduction of modern rescue equipment like IRBs and jet skis. Competing in maroon and silver, Wamberal has built a strong reputation in competition, producing Olympians, World Surf Life Saving Champions, and numerous State and National titleholders.

Beyond its core mission of beach safety, the Club is also known for its signature events. Wamberal proudly hosts two of the longest running surf carnivals on the Central Coast. The "Nutty Masters," an annual masters carnival, and the Wamberal Junior Ironman event (Gardner/Dolphin and more recently Race One). These events attract large numbers of competitors of all ages and highlight the strong community spirit and teamwork that define Wamberal SLSC.

Everyone Belongs at Wambie

Our Future

At Wamberal Surf Life Saving Club, we're excited about building a future that's all about keeping our community strong, safe, and connected. We see ourselves as more than just a surf club. We're a community hub where people of all ages can come together, learn, and grow. Looking forward, we're committed to creating a place where everyone can feel at home on the beach, develop essential lifesaving skills, and build lifelong friendships.

We're here to stay, and we want to keep making a difference together. Our strategic plan sets out three big priorities to guide us: enriching member experiences, reaching further into our community, and upgrading our facilities and resources. We're focused on creating a club environment that welcomes everyone, from first timers to seasoned surf pros, while expanding our role as beach safety advocates in our local community. And as our numbers grow, we'll keep investing in the club's infrastructure and technology to give our members the very best tools to train, learn, and enjoy. As we look to the future, we're all about growth, fun, and unity. With our people-focused approach, we're committed to making Wamberal Surf Life Saving Club a forward thinking, family friendly, and safe place that strengthens our community and inspires future generations. Together, we'll keep our shores safe and create memories for years to come!

Commitment to Child Safety

Looking After Our Future, Together

At Wamberal SLSC, we recognise that our youngest members are not just the future of our Club, they are at the heart of it today. Creating a safe, supportive and inclusive environment for children and young people is central to everything we do.

Wamberal SLSC is committed to safeguarding children and young people.

This commitment is reflected in the way we run our programs, support our volunteers, and foster a culture where respect, wellbeing, and safety are everyone's responsibility. Throughout the season, from Nippers to Youth programs, we focus on providing opportunities where children can build confidence, develop new skills, and feel secure knowing they are supported by caring, trusted adults. All members working with young people hold current Working With Children Checks and complete relevant child-safe training, ensuring best practice is embedded in our everyday activities.

We are proud to uphold the highest standards of child safety. Beyond policies and procedures, it's the culture of kindness, vigilance and respect within Wamberal SLSC that helps our young members feel safe, valued and inspired to thrive, both on and off the beach.

Visitors to Wamberal Beach

Our members have had another great season. Whether it is keeping the public safe on patrol, training, competing, educating current and future members, gaining new skills at Nippers, it was a season full of excitement, passion and achievement. Our patrolling lifesavers have spent all season keeping the public safe at Wamberal and we thank every single one of them. This group has been expertly led by our Patrol Captains and Vice Captains who combine leadership and operational skills to ensure our lifesavers come together on the beach as an effective team. Our patrol teams can't meet their obligations without highly skilled members with IRB, ART and first aid qualifications. A big thanks to everyone who has gained one of these awards this season and the stalwarts who have maintained their skills over this season, like many in the past.

Our patrols cannot happen with just the dedication of our patrolling members alone - they are supported by a large team who take responsibility for training, skills maintenance, equipment and the administration that is required to ensure our patrols are operating at their best. However, the journey for all our patrolling members starts with our education team, who have had another massive season.

Adam Phillips

President

Thank you to all the trainers, assessors, facilitators, instructors and water safety who have contributed to the training of our members. Thank you, Cassie Patterson and to the team Bruce Alli and Craig. Leading everything to do with lifesaving within the Club is the hardest job going around. Helen Paver has had an incredible first season as Club Captain, - thank you Helen for a wonderful season.

It was great to see our competitors represent Wamberal at Branch, State, Aussies. All of our competitors achieving wonderful results for their efforts. Wamberal always fields a large competition team and as a result need a significant number of officials, coaches and supporters and we thank all of them for ensuring we can continue to compete at such a high standard. Big thank you to Colleen Harrison for leading this broad team of dedicated masters athletes. Special mention to Kenn Broomfield, who apart from winning medals at Branch, Masters and State and Aussies, came 3rd in the over 60's doing the Coolangatta Gold. Thank you to Tiff Malloy for an excellent season as Competition Director as well as all the social activities.

Our Nippers have had another great season. A big congratulations to our Nippers who have graduated to the next age group, represented our Club in competition and obtained the coveted Surf Rescue Certificate, or started the Duke of Edinburgh with Libby Naven. None of this would be possible without the focus and skill of our Nippers, water safety, age managers, committee members and supporters, who have had another great season. In particular, I would like to thank Tim Burch for his passion and dedication leading our Nippers.

Adam Phillips

President

The annual Race One Junior Ironperson was one of the best in recent memory - perfect conditions in the lead up to the event and on the day resulted in almost record numbers of participants. This was backed up by another very successful Nutty Masters. A big thank you once again to Tiff Molloy and the organisers that helped with both events.

At the time of writing the club is moving forward with construction works. I would like to personally thank Peter James OAM who has worked with Bruce Gould, Kath Goodhand and Rick Sarich to develop a building master plan. Over the next 12 months there should be significant changes throughout the surf club.

Congratulations Peter James OAM on achieving 60 years as a member of Surf Life Saving NSW. Also well done to Kenn Borgesson who achieved the honour of Life Member of Surf Life Saving Central Coast. Throughout the season a number of our members give up valuable time to do other roles such as Duty Officer, Jet Ski operators, and flood rescue. These roles are carried out on top of their patrol hours.

Big thank you to Brad Evans who did flood rescue duties at Cyclone Alfred and the recent Mid North Coast floods. Congratulations to Greg Diamond who was acknowledged at the SLSCC Awards of Excellence for his tireless work on the jetski's supporting clubs along the coast. Huge thanks also to Bruce Gould and Ramzy Fawzy for your continued efforts.

Adam Phillips

President

Finally, I want to extend a big and heartfelt thank you Lisa Shailer who has contributed to the Club behind the scenes as the Director of Administration. She has been tireless in her efforts to support our members and committees, and make it possible for the Club to keep moving forward. Wayne Young who is endlessly fixing things big and small within the Club, alongside mowing lawns and always being there when a patrol is short or a volunteer is needed. I would like to also pass on my thanks to John Meares, the club's treasurer. It is the hardest role in the club as everyone wants and needs money. Thanks also to Kelly Adams who has helped me run the Whales Nippers. It is a very rewarding job, but we have seen these kids grow from little kids to young adults who just love the surf. Lastly, thank you Mel McCarthy, for all your dedicated and hard work....a patience as this report was well overdue.

On a sad note, we lost Peter "Harty" Hart, a treasured Life Member who succumbed to a long illness. Peter's contribution to this club was outstanding, but he will be remembered more so for his very funny jokes, and the fact that he always laughed before the punchline. Peter was a true "Wamba".

To all our members, thank you for your contribution to our wonderful Club over the 2024/25 season. Enjoy the off season and I look forward to seeing you all down on the beach and up at the Club in the 2025/26 season.

“Harty” Vale Peter Hart

A Lifesaver, Leader, and Larrikin

Wamberal SLSC is sad to advise that Life Member, Peter “Harty” Hart, has passed away after a long battle with illness. Harty joined the club in 1969 and went on to become one of the club’s most valued and hard working members. His dedication, character, and contribution helped shape the spirit and culture of our club for generations to come.

Harty held many positions in the club including Club Captain, Chief Instructor, Patrol Captain and President. He was also the builder of a previous clubhouse.

Peter represented the club in the Central Coast tour of the USA. As a Patrol Captain, he will always be remembered for the standards he impressed on his members whilst always making it fun to be on patrol. Harty took a great interest in the development and guidance of young members and was always ready to assist in all club activities, while also being responsible for many fun social gatherings. Peter was always the life of the party with his jokes and storytelling. For many years, Peter took great pride in representing Wamberal SLSC every Anzac Day, laying the wreath at the dawn service.

For his services to the club, he was made a Life Member in 1983. Peter Hart, a true Wamba will be greatly missed.

His passion, humour and dedication have left a lasting imprint on the fabric of our club. We extend our deepest condolences to Peter’s family and loved ones.

Honouring 60 Years of Service

Peter James

A Legacy Built on Service and Passion

Wamberal Surf Life Saving Club is proud to recognise Peter's lifelong dedication and leadership, that have left an enduring mark on our club, the Central Coast Branch, and the broader Surf Life Saving community. Peter began his lifesaving journey with Manly SLSC in 1961, obtaining his Bronze Medallion in 1962, and by 1968 had already stepped into leadership as Club Treasurer. In 1969, Peter joined Wamberal SLSC, where his impact has been nothing short of remarkable. He became Club Captain in 1971 and went on to serve as President for eleven seasons across the 1970s, '80s, and early '90s.

He also served as Treasurer during multiple terms, demonstrating his unwavering commitment to club operations.

Peter became a Life Member of Wamberal SLSC in 1978 and was awarded Club Person of the Year in 1994. His contributions extended far beyond the club, serving as Treasurer of Central Coast Branch from 1975 to 1980 and President from 1994 to 1997.

Peter played a key role in unifying juniors and seniors into one organisation and securing major sponsorships that supported the growth and sustainability of surf lifesaving across the Central Coast.

Some of his significant initiatives include:

- Launching the Rookie Program and Ducks for Bucks
- Leading the Gosford City Water Safety Levy, which funded the construction of eight new surf clubs
- Contributing to the Finance Committee, Interbranch Team Management, and international touring teams

Peter's influence continues to be felt across the region through these long-standing programs and structures.

Peter was also a Director of Special Projects for Central Coast Branch and served on the Board of Directors for Central Coast Leagues Club.

In 1996, Peter's efforts contributed to the Central Coast Branch being awarded the Australian Department of Sport & Recreation VIP Award for excellence in volunteer management. His recognition includes the Gosford City Mayoral Award for service to the city and being named Hunter Region Sports Administrator of the Year in 1998.

In June 2023, Peter was awarded the Order of Australia Medal (OAM)—a milestone not only for himself but also for Wamberal SLSC, as the first member to receive this prestigious honour.

On behalf of everyone at Wamberal Surf Life Saving Club, we extend our heartfelt congratulations to Peter James OAM. Your service, leadership, and devotion to surf lifesaving are extraordinary, and your legacy will continue to inspire generations of members to come.

Life Member SLS Central Coast

Kenn Borgesson

A Lifetime of Surf and Service

Wamberal Surf Life Saving Club proudly congratulates Kenn Borgesson on receiving Life Membership of Surf Life Saving Central Coast, recognising over five decades of exceptional and continuous service to surf lifesaving at club, branch, state, and national levels. Kenn joined Wamberal SLSC in January 1973 and obtained his Bronze Medallion in 1975, followed by his Instructors and Examiners awards in 1976 and 1977. He went on to serve an extraordinary 39 consecutive patrol seasons from 1975 to 2014, earning the 35-Year National Patrol Service Award in 2012.

Though now retired from active patrols, Kenn continues to contribute significantly to the movement.

Throughout his time at Wamberal, Kenn served in numerous leadership positions:

Club President (1988–1991)

Club Secretary (1981–1985)

Club Captain (1977–1979)

Chief Instructor (1977–1979, 1994–1996)

Junior Chairman (1975–1979)

He was named Clubman of the Year three times (1976–77, 1978–79, 1979–80) for his tireless work in patrols, training, administration, and competition. In 1990, Kenn was honoured with Life Membership of Wamberal.

Kenn's achievements in lifesaving include:

NSW Lifesaver of the Year (1979–80) – the first recipient from the Central Coast

Central Coast Lifesaver of the Year (1983) and finalist (1981–82)

As a District Supervisor, he played a key role supporting under-resourced clubs by mentoring new trainers and helping candidates attain their Bronze Medallions.

At the Branch level, Kenn's roles included:

Vice President – Nipperettes (5 years)

Branch Superintendent (1980–81)

Board of Examiners Member (1980–1990)

Director of Coaching (mid-1990s) where he oversaw the design and implementation of athlete and coach development programs

Interbranch Team Coach and Chaperone (1994–2023) nearly three decades of mentoring junior athletes at representative level.

Life Member SLS Central Coast

Kenn Borgerson

Kenn also represented the Central Coast on international tours to:

New Zealand (1980) – as Educational Officer training local SLS instructors

USA (1981 and 1983) – where he claimed gold in Beach Flags at both Bradley's Beach, New York, and the San Clemente Ocean Festival

Kenn has also had a distinguished competition career, with success spanning local, state, national and world titles:

Australian Titles

Silver – 50–54 yrs Beach Flags (1995–96)

Bronze – 55–59 yrs Beach Sprint (1999–2000)

NSW State Titles

Multiple Gold and Bronze in Beach Sprint, Beach Flags, and 170+ Beach Relay events (1995–1999)

World Titles

Bronze – Beach Relay (1998)

Silver – 55–59 yrs Beach Flags (2000)

At the state level, Kenn served on Surf Life Saving NSW advisory panels for both powercraft operations and radio communications. He was instrumental in the introduction of UHF radios across Central Coast beaches and the sign-on/sign-off patrol procedures still in use today. Kenn also served as a judge on the NSW Lifesaver of the Year Panel (1982–83).

In 1987, he represented Australia as a delegate to the World Life Saving Congress, further cementing his influence on the global stage.

For the past 22 years, Kenn has coached beach events for Wamberal SLSC, dedicating countless hours to training Nippers and juniors, fostering a love of surf sports and competition.

Kenn Borgerson's lifelong dedication to surf lifesaving is unmatched. His leadership, passion, and service have left an enduring legacy at Wamberal and across the entire Central Coast.

Congratulations, Kenn. This Life Membership is a truly fitting recognition of an extraordinary contribution.

Winner SLSCC Awards of Excellence

Greg Diamond

Commitment to Service

Wamberal SLSC is proud to recognise Greg Diamond, who was named Operational Support Person of the Year at the Surf Life Saving Central Coast Awards of Excellence.

This prestigious award acknowledges Greg's unwavering commitment, leadership, and significant contribution to the Operational Support Services within our region.

Throughout the season, Greg has exemplified the highest standards of service, demonstrating not only technical expertise but also a dedication to developing and supporting others within the lifesaving community.

Greg has been instrumental in advancing operational standards through his involvement in refining training resources and contributing to the development of Standard Operating Procedures. He has played a key role in mentoring emerging personnel, ensuring the next generation of operational support members are equipped with both the skills and mindset required for success.

A familiar face on the beach, Greg continues to lead by example, consistently completing patrols to an exceptional standard and responding to callouts whenever possible. His commitment reflects the core values of Surf Life Saving. Respect, Integrity, Teamwork, and Excellence. Greg has earned a reputation as a trusted leader and a respected ambassador for the organisation.

This award not only recognises Greg's achievements this past season but also his continued efforts to enhance and future proof our lifesaving services for the benefit of all members. Congratulations Greg on this well deserved recognition.

John Meares

Finance

The 2024/2025 Financial Year has seen Wamberal Surf Lifesaving Club Go through some changes record a financial result and at the end of the financial year Wamberal is in a sustainable financial position. The audited Financial Report for the year ended 30 April 2025 shows the club recorded an Operating Surplus of \$44,708 (compared with and operating surplus of \$31,663 last financial year).

Total Revenue of \$330,519 was up by \$27,439 compared to 2023/24, mainly due to Higher Grants and Donations revenue Surf Life Saving NSW and Branch, and the energy and dedication shown by members of the Board in securing other grants).

Membership Revenue (dropped by 4,092 to 41,918) due to membership numbers decreasing due to cost of living pressures). Café/Function Rental revenue remain basically the same due to the CPI being low at the time of the contractual annual increase.

Total cash at the end of the period was \$180,077, was an increase compared to last year. This increase in total cash was mainly due to grant monies received and Duke of Edinburgh trip funds held

The club relies heavily on commercial rental revenue from the café and function centre. This primary revenue stream continues to be supported and diversified by strong membership fees, grants and contributions from all levels of government, and the generosity of our wonderful sponsors and donors. These income streams allow us to fund our core mission of lifesaving and building the people and skills to save lives and contribute to the community.

The club needs to extend a massive thankyou to the team at Fortunity (our Auditors and professional financial support team). Fortunity has generously sponsored the club with audit services for a number of years now and have always delivered with a very high level of quality customer service. Their help, understanding and guidance is invaluable and is deeply appreciated by Mel and I. Thanks to the entire team including Adrian, Zacary and Amber.

Lisa Shailer

Administration

This season marks 5 years since I was voted in (in absence) to the Director of Administration position. At the time I had absolutely no expectation I would still be in the position today. They say time flies when having fun...

With some key changes in Executive Board members, I remain in my position shared with faces old and new; hoping to provide consistency and experience in the foundational areas of administration and compliance. Supported by a team of dedicated Executive Board of Directors and a growing Committee, this role supports the Club with governance and compliance activities, communication, publicity, coordinating meetings, membership and uniforms. With a view to succession planning and/or shared workload, I welcome anyone interested in supporting this role in to make contact and get involved.

I continue to thank each and every member of the Executive & Committee for making my role sustainable. Without their combined efforts, I would not be able to achieve club compliance and administrative progress. While I don't often single any one member out, notable thanks must go to Helen Paver in her first year as Director of Lifesaving. Helen has taken an enormous load off my role through maintaining patrol records and rosters, and will also take over management of patrol uniforms. Our Finance and Administration Officer Mel McCarthy continues to provide pivotal support of administrative activities, and I thank her for her continued service.

Lisa Shailer

Administration

This season we encouraged online registration for our returning membership base, which was well received. In addition to office hours, we offered several face to face weekday afternoons & nipper mornings to support new and complex registrations, and allow for uniform purchases. With a consistent 550 members last few seasons, we will retain this model for the upcoming season; with further efficiencies planned to the registration process to support our club administration. Season 25/26 sees the SLSNSW Members Portal retired and replaced with the new SLS Members Hub, which we hope will be a positive experience for all members. We remain proud to accept NSW Government Active Kids Vouchers for those eligible.

We continue to provide access to club swimwear and towels through an established 'direct purchase' agreement with Fashion Fish and Hooded respectively. This allows us to minimise stock held on site and improve cash flow within the clubs finances. A uniform working party has been formed to review and streamline clubwear going forward, with a strong focus on streamlining options with consistent theme/branding to align all competitive and supporter groups within the club.

This year our Nipper State competitors uniform was a white/salmon long sleeve polyester collared top, bringing a modern twist to the traditional club maroon. Thanks to significant fundraising initiatives throughout the season our junior State Team also received a bucket hat & drybag containing swim cap, zinc & wax. State Nipper Finalists were awarded a back hoodie with electric blue artwork designed by club member Luke Taaffe, and medallists received the coveted black wet weather jacket. Aussies competitors continued the maroon & white check business shirt of previous years, teamed with their maroon cotton range self-purchased through the year. This reduced purchase requirements to new Aussies competitors. Senior Club Award recipients received maroon equipment bags embroidered with the club logo. Age Managers, Water Safety and Officials received drybag. Paul Jennar and Life Members received a scarf. We continue to offer a range of outerwear and Wamberal branded promotional items for member purchase, are proud to work with a local manufacturers and support small business. Thankyou to Good Gear, Fashion Fish swimwear, Hooded , Finz & Paladin for you custom and support this season and we look forward to continued working relationships with our suppliers.

Lisa Shailer

Administration

Club communication continues to be available through a variety of channels. Our website wamberalslsc.au is user friendly while allowing for updates throughout the season as required. We continue our public/community Facebook page, as well as several speciality interest subgroups – Nippers, Masters, Boaties and Whales. These platforms are interactive and allow engagement with members. We continue to be supported by SLISA Surfguard platform for bulk club communications out via text and email. Season 2025/26 we are improving our club communications. With many sub-groups already using WhatsApp; we will be migrating all lifesaving, nippers and competition groups to the newer and more robust WhatsApp community. This will provide us efficiencies in outbound communication while improving member protection and cybersafety aspects by reducing isolated communication channels.

We remain compliant by correctly submitting all our documentation and legal paperwork correctly to various governing bodies, the ACNC and SLISA / SLSNSW. It remains our focus to further improve our preparedness for these important milestones and work toward finalising our revised Constitution. The structure and governance required is vastly different to that of generations past. With growth in member involvement and committee positions, comes the need to review and streamline club process', including the priorities for Office support in a changing landscape. We anticipate this will provide efficiencies, promote sustainability to roles and the persons filling these, and also improve member access and engagement with the club.

Lisa Shailer

Administration

We continue to rely on shared member participation to achieve continued success and I thank all who contributed last season. Your involvement was very much felt and always appreciated. Again, I challenge all members to become involved and increase their personal contribution this coming season. Strong water skills and/or an SLS background are not required, with depth in ways to be involved there truly is something for everyone. Please reach out to myself or any board member to learn more about ways you can become more involved with Wamberal SLSC.

The surf club office is staffed Tuesday to Thursday 11.30-3.00pm and Friday 11.30am-5pm, with additional hours worked outside of these public hours. Our Office can be contacted on 0497 308 398 or office@wamberalslsc.au. WSLSC welcomes current and potential members to make contact during office hours.

Lisa Shailer
Director of Administration

Helen Paver

Lifesaving

Stepping into the role of Director of Lifesaving at Wamberal this season has been both a privilege and a learning curve, and I'm proud to share what we've achieved in the 2024/2025 season.

This year has been one of growth and learning for me - coming into a new role, getting to know the ins and outs of how the club runs, how our beach is patrolled, and just how many people it takes to make it all happen. What's stood out most is the incredible community we have here. From brand-new recruits to long-time members, everyone plays their part. There's a quiet strength in how our people just get on with it - showing up, pitching in, and keeping Wamberal safe.

Jarrad Bishop, Ian Waight, and Tim Burch

Helen Paver

Lifesaving

Keeping our Beach Safe

At its core, the purpose of Wamberal SLSC surf club is simple: to protect lives and provide a safe place for the community to swim and enjoy the incredible beach we're lucky to call home.

And it's our dedicated patrolling members who make that happen - showing up, volunteering their time, and keeping the beach open and safe.

Our members patrol for all sorts of reasons - to give back to the community, because they love the ocean, as nipper parents providing water safety, to compete in surf boats or surf sports, or simply to spend time with friends. Whatever the reason, each and every patrol member is giving their time freely, with one shared goal: to help create a safe beach environment for locals, tourists, and everyone who visits Wamberal. For this, we are truly thankful. We couldn't open the beach without each and every one of you.

And for another year, we can proudly say: no lives were lost on our beach this season. That's the most important outcome of all.

Patrol 8

Helen Paver

Lifesaving

Training and Education

Our patrolling members are required to train to a high standard. Wamberal is a powerful and sometimes unpredictable beach, often presenting large, tricky conditions. It takes time, commitment, and often years of experience to build the confidence and skills needed to patrol a beach like ours. And it's not just the hours we see recorded in patrol logs that matter, it's the many hours behind the scenes: upskilling, requalifying, online modules, IRB training and scenarios. It's all of this, combined, that shapes the patrol teams who show up each weekend ready to keep our beach safe.

This training would not be possible without our fantastic Education Team, who work tirelessly to offer multiple courses throughout the season. Their commitment ensures our patrol members are not only qualified but confident and capable.

This season, our education team delivered:

- SRC and SRC-to-Bronze Medallion courses, with a number of our older nippers stepping up, a great sign for the future generation of lifesavers.
- Bronze Medallion courses that welcomed new members from the broader community, including several of our nipper parents.
- ART upgrades and an IRB Driver and Crew course, with strong participation from members keen to upskill and contribute more to their patrols.

A huge thank you to Bruce, Alli, Cassie, and Greg for the hours they put into training and assessing these courses. Your dedication does not go unnoticed. We're also very grateful to our expert facilitators - Craig Adams, Gordon Crabb, Toni Jones, Ken Broomfield, and Ramzy Fawzy - who generously stepped in to help deliver various course components.

The continued education of both new and existing members is essential for delivering high-quality lifesaving services on our beach. It's important that we keep offering a wide range of well-run training opportunities each season to maintain and build on our high standards.

This season we had 10 patrols on the roster, which made a huge difference to the number of shifts each team was required to cover. The addition of Patrol 8 - made up mostly of new Bronze Medallion holders from the 2023/2024 season - allowed us to ease the load across all patrols. Patrol 8 had a great first season - while they didn't have a dedicated Patrol Captain, we're incredibly grateful to everyone who stepped up to help shape and support the team.

Helen Paver

Lifesaving

Patrols

A special thank you goes to Daggy, Vince, and Wayne for regularly showing up and providing guidance and leadership. We hope everyone on Patrol 8 had a positive experience and are keen to return next season.

Looking ahead, we plan to continue with the flexible rostering format - a mix of full-day patrols in the off-season and half-day patrols during peak times when the beach is busier and days are longer. There have been ongoing discussions throughout the season with SLS NSW and SLS Central Coast regarding potential changes to our patrolling hours.

While other clubs along the Coast have started trialing new patrolling hours, it was agreed that the proposed changes did not suit the unique needs of Wamberal Beach, particularly given that our patrol area includes the notoriously dangerous Spoon Bay. These conversations will continue into next season, as we work together to find the best solution, one that maintains high safety standards for our beach while also ensuring our patrolling members are well-supported and confident every time they head out on the sand.

Of course, each year we see some patrolling members move on to new adventures, so it remains vital to recruit and retain members. Next season, we'll focus on boosting member engagement through more social events and chances to connect both on and off the sand. We want patrolling to be a rewarding experience - one that keeps our returning members engaged and makes new members, especially nipper parents, feel welcome and excited to be involved.

Helen Paver

Lifesaving

Patrols

141 patrolling members

70 full days of patrol coverage

35 average hours per lifesaver

4950 total patrol hours

6 significant rescues, countless preventative

80 first aid incidents/treatments provided

These numbers reflect the incredible effort and commitment of our members - thank you for showing up, time and time again, to keep our beach safe.

Helen Bowen, Matt Brown, Tom Lightbody, Craig Adams

Helen Paver

Lifesaving

Patrols

A huge thank you to our Patrol Captains, who do so much behind the scenes to ensure their patrols run smoothly. They are the silent leaders making sure rosters are filled, gear is checked and the beach is always in safe hands.

Patrol 1 – Greg Diamond, Bruce Gould

Patrol 2 – Helen Paver

Patrol 3 – John Meares, Karl Nixey

Patrol 4 – Martyn Kennedy, Jack Lynch

Patrol 5 – Matt Walter, Ron Beresford

Patrol 6 – Ian Waight, Craig Adams

Patrol 7 – Gordon Crabb, Ken Broomfield

Patrol 8 – Darron Camden, Vince Minto

Patrol 9 – Adam Phillips

Patrol 10 – Justin Hicks, Jeff Baggott

To all our patrolling members — thank you for giving up your weekends, public holidays, Christmas Day, New Year's Day, Easter, and those extra shifts when needed. Your willingness to jump in and help, no matter the day or surf conditions, is what makes Wamberal the club it is.

We've had a season of great weather, good surf, and, of course, a few of those classic Wamberal days when the ocean really puts on a show. Thank you for being there, especially on those tougher days.

Ian Waight, Matt Brown & Craig Adams

Helen Paver

Lifesaving

Thank you

I'd like to say a special thank you to my fellow Executive Board members for guiding me through my first season, letting me know what I need to do and where I need to be!

Lisa - thank you for keeping us all on track, ensuring deadlines are met and paperwork is in order,

Adam - for calmly and confidently leading us through another successful season, **Mearsey** - for stepping into your new role and grappling with the club's finances, **Tim** - for keeping Nippers running smoothly and helping channel new Bronze Medallion participants into lifesaving, **Cassie** - for coordinating our training courses to keep us highly trained, **Brad** for keeping tabs on all the equipment and **Tiffany** - for the many hours you've spent organizing club events behind the scenes.

To everyone who pulled on the red and yellow this year, thank you for your time, your skills, your support, and your smiles. I'm excited for next season, now that I've found my feet, I'm looking forward to building even more community connection and continuing the fantastic work that's already being done. Here's to a great season gone, and an exciting one to come,

Cassie Patterson Education

From Bronze to Beyond

This year, we encouraged new and existing members to challenge themselves by developing their skills and knowledge with life saving. We hope they have felt supported and welcomed into the both the Wamberal and broader life saving community.

Throughout the season, we have offered a variety of courses to cater for our members individual needs. These have included Bronze Medallion, Surf Rescue Certificate (SRC), Radio Operators Certificate, Advanced Resuscitation Techniques, Resuscitation, IRB Crew Person, IRB Driver, Training Officer, First Aid and Silver Medallion Beach Management. We trialled a new system for identifying expressions of interest for upcoming courses. This involved registering via a web tile on the webstore. This allowed us to contact appropriate people as courses were coming up and to ensure they were kept informed.

The annual skills maintenance remains an enormous task incorporating both weekends and weeknights to ensure everyone skills are current by the end of the year. This ensures members feel confident in their skills and abilities, as well as up to date with content information, preparing them for patrol duties.

IRB Training Course

Cassie Patterson Education

I would like to thank everyone for supporting me in this role. A massive appreciation goes to Alli Smith, Bruce Gould, Greg Diamond, Toni Jones, Craig Adams, Ramzy, Gordon Crabb and Ken Broomfield for their dedication to educate our members and the endless hours. Their commitment and passion to passing of their life saving expertise is crucial in building the values and love of surf lifesaving. I would also like to acknowledge Branch and State for their assistance throughout the season and welcoming me to the broader Education team. To all others who contributed behind the scenes, your support was invaluable and deeply appreciated.

Looking ahead to next season, we aim to review our annual skills maintenance program to ensure competitors and patrols are upskilled early in the season. We invite individuals to join our education team, to ensure we continue to deliver quality training and offer a diverse education team to meet the individual needs of our community. As a result, we will continue to nurture competent Wamberal life saving members to safeguard our beach community.

Opens

As with previous years reports, this area of competition focuses on competition aged 15 through to Masters. Our Masters competition crew continues to thrive, delivering exceptional results throughout the summer.

There have been some changes within the Opens competition, which I will outline below.

Our U14, Opens & Masters training numbers has grown significantly this season, with upto 20 athletes attending some sessions. This is an outstanding result, especially considering our early start times — 5:30 am in the water on Wednesdays and Fridays, and 6:30 am on Saturdays and Sundays.

Below is a summary of the season for each age group:

Unfortunately, some of our Opens have transitioned to another club that offers a more structured training program led by a dedicated coach. For several years, I have advocated for smaller surf clubs on the Central Coast to collaborate on training programs to help prevent this very outcome—losing competitors to larger clubs that can provide more extensive coaching. Despite this shift, the Opens athletes who moved clubs continue to patrol at Wamberal, which we greatly appreciate.

Tiffany Molloy Surf Sports

Noah, Riley, Luke and Keenan

Branch Opens

On a positive, our beach athletes (Luke and Noah Nakagawa, and Riley and Keenan White) have remained at our club and proudly between them represented Wamberal at Branch, State, and Aussies Championships.

Branch 2025

Was held at Umina Beach in picture perfect conditions. Our Opens were represented by the Nakagawa brothers – Luke and Noah, with below results.

Luke – 4th U17 beach sprint, 3rd U17 Beach flags, 3rd – OPENS Male beach flags

Noah – 1st U19 beach sprint, 1st Beach flags, 4th – OPENS Male beach flags

A special mention must go to Luke Nakagawa, who pulled off a fantastic result by beating his older brother Noah in the Opens Beach Flags. It's safe to say that would have made for a very interesting conversation around the Nakagawa family dinner table that night!

Congratulations to Noah Nakagawa being selected for the SLSCC Trans Tasman Team 2025. Noah & team travelled to Auckland, New Zealand to compete in the Trans-Tasman tri series in January 2025, with NSW Country taking out the honours.

Tiffany Molloy Surf Sports

Under 19 Beach Sprint

State and Aussies Opens

State 2024-25

Again held at North Steyne. Wamberal had the four boys (Luke, Noah, Keenan & Riley) competing on the sand in Sprints & Flags, with below results.

Luke – 8th U17 15th - Open Beach sprint, 8th - U17 beach flags

Noah – 4th - U19 Beach flags, 1st – U19 Beach sprint, 7th – OPEN Male Beach flags

The standout moment of the carnival—second only to Noah’s victory in the beach sprint—was the U19 Male Beach Relay, where our four boys showcased their talent and teamwork. Luke and Riley stepped up to compete in a higher age group alongside their brothers Noah and Keenan, achieving an impressive 2nd place overall.

It was a proud and special moment for both sets of parents, Deb & Shannan and Kristie & Sam.

Well done, boys!

Aussies 2025

Noah & Luke Nakagawa travelled to the Gold Coast to compete at this years Aussies. The following results were achieved.

Noah – 4th – U19 Male Beach Sprint, 8th – U19 Male Beach Flags

Luke – 5th HEAT – U17 Male Beach sprint, 20th – U17 Male Beach flags

Tiffany Molloy Surf Sports

Masters Branch

The 2025 Central Coast Branch Championships was held at Umina Beach in near-perfect conditions – stunning sunshine and small surf (which, depending on who you ask, was either good or bad!).

We proudly fielded a team for the Lifesaver Relay on the Saturday. Huge thanks to everyone involved – our boat crew (Helen, Lily, Hakki & Jacinta), runner (Noah), swimmer (Nat), board paddler (Ken) and ski paddler (Mark Sutton). In true Wambie style, we powered home to what we call a “Wambie Gold” – 4th place!

Sunday saw our Masters Competition kick off. A big welcome to our two Bens – Ben Travis and Ben Hodges – who both added to our medal haul. Outstanding results from everyone who competed; it was truly a fantastic day.

A massive thank you also goes to our officials, Nikki Beere & Rick Parsons, and our IRB water safety, Bernie. We simply couldn't race without you – THANK YOU!

Team list; Dianne Diebert, Colleen Harrison, Marguerite George, Trina Cansick, Justine Ella, Tiffany Molloy, Twynette Dickinson, Tim Burch, Gordon Crabb, Benjamin Travis, Mark Sutton, Benjamin Hodges, Craig Adams, Vincent Minto, Kenneth Broomfield.

Di, Colleen and Trina - Aussie Bronze Medalist 170 Ski Relay

Masters Aussies

Aussies 2025 was held at North Kirra Beach over two days 31st March – 1 April. Wamberal had 10 x Master athletes competing.

The first day of individual events presented challenging surf conditions, with a powerful break and demanding race distances. On the second day, conditions eased slightly but still delivered plenty of excitement for both competitors and spectators.

A big shoutout to Tim Burch competing at his first SLS Aussies event, well done Tim.

Wamberal once again made its presence felt, delivering impressive results as listed below.

Colleen Harrison	Di Diebert	Craig Adams	TEAMS GIRLS
4th – Board (Final)	2nd - Swim (Final)	12th – Ski (QF)	2nd – Board Rescue – Maggie & Colleen

Tiffany Molloy Surf Sports

Ken Broomfield - Masters Competitor of the Year

Wrap Up

This year will be my last as Director of Surf Sports, and I would like to sincerely thank the Club for the privilege of supporting our competition and the Club over the past five years.

During this time, I have had the opportunity to be involved in so many aspects of our Club — from the Nutty Masters, Sandy Ball to the Race One Junior Iron Person and, of course, our Senior Presentation Night, as well as the day-to-day operations of each season's events.

I have learnt an enormous amount and had the privilege of meeting and working alongside some truly passionate and inspiring people.

I do hope the Club continues along its strong trajectory, embracing the philosophy of "The Wambie Way." While it might be seen as relaxed, it has been a proven approach for many years under the outstanding leadership of our President, Adam Phillips.

Thank you Wambie and thank you Adam.

Tiffany

Nutty Masters

Tradition Continues

The Nutty Masters Carnival is a cherished tradition at Wamberal SLSC, celebrating the life and legacy of Gary "Nutty" Lambert a beloved club member, coach, and lifesaver who tragically lost his life in the surf in 1995 while teaching junior lifesavers. Held annually for surf lifesavers aged 30 and over, the event embodies Nutty's spirit of camaraderie, competition, and community.

A special thank you goes to the wonderful ladies who donated all the salads and desserts-this tradition truly sets our carnival apart from other Masters events and adds so much to the day's atmosphere.

An additional heartfelt **thank you** goes to **Rick Parsons** and **Greg Boulton**, who year after year run this carnival on behalf of Wamberal. At the presentation, it was noted that **Rick has officiated at The Nutty since its very inception**—a truly incredible contribution. **THANK YOU, RICK & GREG, – please keep coming back!** Wamberal was well represented, with a strong team - listed below. However, numbers from other clubs have been declining each year, to ensure the ongoing success of this carnival we as a Club need to get creative about how to boost competitor participation. The photos tell the story themselves, and year after year, our Club receives praise for the effort and passion that goes into hosting this special event.

Brad Evans

Gear Steward

Behind the Scenes

The 2024/25 season focused heavily on reorganising and improving our club's equipment storage and operational spaces, with the aim of increasing functionality, safety, and accessibility for all members. Key priorities included the re design of the patrol trailer, improved board and ski storage, and upgrades to the first aid room.

After consulting with club members and securing a quote, we were successful in obtaining a grant for a new patrol trailer, which is scheduled for delivery ahead of the 2025/26 season. The introduction of this trailer will greatly enhance patrol operations and allow for a more efficient use of the shed storage space. Board and ski storage will also be upgraded with new racking systems to allow easier access and better organisation of equipment.

Brad Evans

Gear Steward

Behind the Scenes

In preparation for the upcoming competition season, new Nipper foam and fibreglass boards were purchased at the end of last season and will be ready for use in 2025/26.

The first aid room has seen meaningful progress, with the installation of new lockable cupboards for secure storage of surplus supplies. A new radio was also purchased through a grant, along with other essential first aid equipment.

Lastly, the equipment register was updated in SurfGuard, helping to support ongoing gear maintenance, future upgrades, and improved asset management.

A big thank you to all who assisted throughout the season. Your support ensures our gear remains in top condition for both lifesaving operations and competition.

Junior Activities Coordinator

Age Manager Joanne Ford-Lightbody with some Nippers at the Branch carnival 2024

Developing Tomorrow's Lifesavers Today

Reflecting back on my first year as JAC it was exactly as Karl described. I was like a little duck on water with both feet paddling furiously under water – hopefully swimming in the right direction and keeping up!

I was very honoured to have the opportunity to lead the Junior Activities program and hope we continued to promote the values of having fun, improving our nippers surf skills, building a great community and developing our future life savers – Rookies and parents!

One of the best opportunities afforded by the role has been the chance to meet and work with so many wonderful people.

Thankyou to Helen Bowen who provided great support and advice to me throughout the season and Paul Gallagher who also assisted and acted as 2IC on numerous occasion.

Thankyou also to our Age Managers, our board coaches, and all our Water Safety and Officials who volunteered throughout the season.

We had a good number of registered nippers this year, with 24 nippers signing up for the season. The weather treated us well with generally favourable surf conditions. We were able to run all three club championships as per our program, and we only had to cancel one nippers session in January due to poor weather and hazardous surf conditions.

Junior Activities Coordinator

Board Training

Developing Tomorrows Lifesavers Today

Another very busy season, we had a full nippers calendar from October through to March filled with Sunday nippers days, club championships, numerous Local, Branch & State carnivals, our Wambi Gold & Twilight Christmas nippers – complete with Santa arriving on a jet ski! - Race One carnival, and Junior presentation in April.

Our Board Training sessions run on Tuesday and Friday afternoons this season were a lot of fun and attracted large numbers of nippers. Led by our coaches Kane Douch, Marty Campbell and Ben Hodges, we also saw a large group of board beginners keen to learn under the supervision of Gordon Crabb, John Meares and Tim Burch. We had a great group of water safety volunteers for these sessions, keeping our nippers safe. It was incredibly rewarding to see the confidence and skills improving over the course of the season. I have fond memories this season of one or two very special marathon sessions we had when the waves turned on at our home break, and the coaches and kids got some incredible rides. Thankyou to ET for capturing some amazing images from these sessions and our nippers this season.

Thankyou again to all who have contributed to make this season a huge success!

We now look forward to planning another successful nippers season and identifying how we can make it even better! We have already created a fundraising and social event committee who will lead the organisation of some exciting new and existing fundraising and social events for this upcoming 2025-26 season.

Junior Activities Coordinator

Dave and Tanya Funnell

Backing Our Nippers: A Season of Generosity and Commitment

This year we were fortunate to welcome the Funnell family into our Club. Dave and Tanya Funnell who own Chop Butchery agreed to very generously supply all of the meat for our Sunday BBQ after nippers, & many other club events this season including the Sandy Ball, Wambi Gold Twilight nippers & Race One. Chop Butchery also assisted in our fundraising by providing some meat trays which were raffled at some of the post carnival presentations and the Wambi Gold Twilight event. We are incredibly fortunate to have had them on board this season.

We are also very grateful to the McGrath family who supported our nippers this year providing all of our bread products for our Sunday BBQs, Wambi Gold Twilight nippers & Race One.

Thankyou to Doug and Di Patterson who show up week after week to cook our Sunday Nippers BBQ and produce our award winning sausage sandwiches with special gravy!

Thankyou to finally to our awesome Age Managers (AM) who give up their time week in week out to make Sunday Nippers possible. It was great to have some new AM come on board this year as well as welcoming back some familiar faces from previous years. Thanks to John Meares, Paul Gallagher, Steve Kirkman, Scott Donald and Mark Lea who all stepped down as AM this season. Thanks to our new AMs Adam Shearer, Jessica Farrell, Nick Wolf, Rory McCann, Ben Adams, Brielle Gurnhill and Marty Campbell and our returning AM Miriam Owen, Tom Lightbody, Jo Lightbody, Jason McGuinness, Adam Packer, Johnathon Small, Jamie Guthrie, Rob Scott, Cassie Patterson, Tilly Lisle and Tim Burch.

Junior Activities Coordinator

Wamberal Nippers March Past Forster SLSC

Professionals Weekend of Surf Forster SLSC

Our nipper carnival season commenced with the Weekend of Surf carnival at Forster, on the October long weekend with 27 nippers competing. The weekend is always a fun time away for parents and kids to kick start the season and we would love to promote this so more and more families come along to join in. Special mentions to Marley Taaffe 2nd overall U9, Harry Hodges 2nd U10 Ironperson and Kirra Meale 3rd overall U14.

Mini Carnival Toowoona Bay SLSC

The mini carnival at Toowoona Bay was the first carnival of its kind proposed by Branch to provide an intro to nipper carnivals for U8-10. It was held at Toowoona Bay to ensure friendly surf conditions and limited to swim, board and wade events. We had 22 nippers attend. The conditions were as per the program, and carnival went excellently with everybody off the beach no later than lunch.

The mini carnival also provided an opportunity for our new officials to learn on the job and have their first taste of being an official. Thanks to Johnathon Small, Yvette Campbell, Tim Burch, Jen Burch, Paul Gallagher, Amie Howarth, Toby McGrath, Jamie Guthrie, Rodney Gray, Adam Packer and Cassie Patterson who all undertook their official training this season and have volunteered their time to officiate at carnivals this season.

Junior Activities Coordinator

Under 8 Nippers 2nd place at local Central Coast Carnival

SLSCC Nipper Carnival 3rd Nov 2024 Avoca Beach SLSC

Our first traditional carnival of the season saw 45 nippers sign up for competition in some challenging surf conditions. We managed to field All Age Sprint and All Age Board Teams for the majority of carnivals this season, and our All Age sprint team won a bronze medal. We enjoyed success with medallists on the sand and in the water for a great start to the competition season.

Our tent setup crew kicked off the season well with some prime tent locations on first light and we were well supported with a number of new official and water safety volunteers coming forward, many first timers.

Newcastle Permanent Ironperson Weekend

In addition to the more traditional SLSCC carnivals, there were also a couple of other events on the nipper calendar including the NPIP Weekend held at Lakes Beach over two days in November.

Special mention to Harry Hodges, Maggie Burch and Kai Burch who represented Wamberal at the carnival and congratulations to Harry Hodges winning the U10 division.

Junior Activities Coordinator

Johno Small, Ben Travis, Zoran Gurnhill, Adam Packer, Sam Gallagher

SLSCC Nipper Carnival Traditional, Terrigal

Surf conditions continued to challenge our nippers at carnivals this season, including Terrigal where 45 nippers were met with minimal swell and very flat conditions. Though it provided ideal conditions for some of our less confident nippers to compete in the swim and board events, it provided for some tough racing conditions and tested the endurance of our more competent nippers without the assistance of any surf for their races. Though we avoided stingers at Terrigal this season we did not avoid a hot and overly long day in the sun.

SLSCC Nipper Teams Killcare SLSC

The Killcare Teams carnival was a great, fun event held in favourable surf in early January and provided an opportunity for our nippers to focus on competing in traditional team and not so common teams events rather than competing as individuals. The day provided for lots of smiles and comradery with the kids provided the opportunity to compete with their friends and supporting each other in team-based events. With generally lower participation numbers due to the carnival being held in school holidays, it was a smoothly run carnival that allowed us to leave the beach before lunchtime!

Junior Activities Coordinator

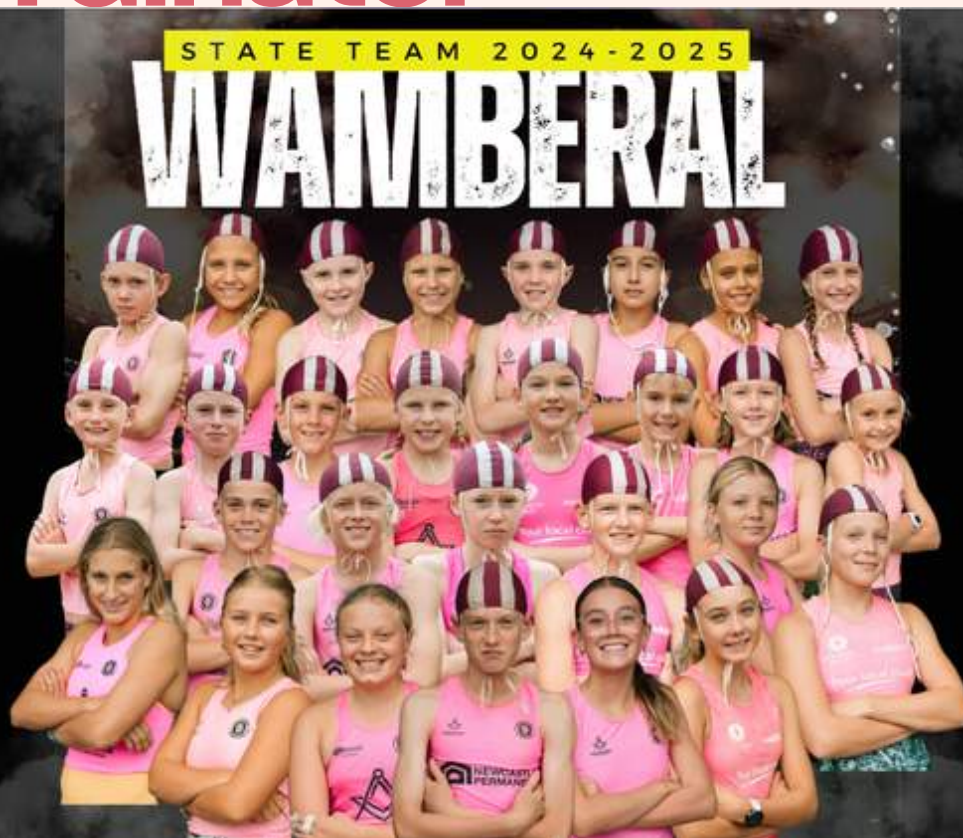

Monais Gurnhill, Aaliyah Campbell, Maggie Burch, Kirra Cohen

SLSCC U8-U14 Junior Branch Champs Avoca Beach SLSC

This season's Branch carnival was held at Avoca Beach. The carnival was split across two days with water events held on the Saturday in challenging surf conditions and sand events held on the Sunday. Wamberal did exceptionally well on the sand with individual gold medals for Lucas Scott in the U12 Beach flags, Rylan Bishop in the U10 Beach flags and Jack McDonald in the U9 Beach Sprint. Our U9 and U10 male beach relay teams also secured gold medals in their events. There were multiple other finalists and medallists on the day.

In the water, our U10 male surf team won a gold medal and we had 5 nippers qualify to represent Wamberal in the individual ironperson event in the upcoming State Championships: Layla McCarthy U11, Monais Gurnhill and Aaliyah Campbell U12 and Ariya Gurnhill U13. Two of our U12 female board rescue teams also qualified for State after Wamberal were successful in getting 3 teams into the final.

Junior Activities Coordinator

Wamberal State Team

SLSCC U8-U14 Junior Branch Champs Avoca Beach SLSC

The State Age Championships this year brought a challenge to organisers and competitors alike. With large swells forcing the closure of the main water competition areas between North Steyne and Manly, from the Thursday through Sunday the carnival programme and event locations were altered multiple times. In the end the U9-13 were allowed some restricted water events at Shelly Beach and the U13/14 were relocated and competed across the weekend in a heavily reduced number of events at Collaroy. Despite the inconveniences and constant changes our 33 representatives had a successful State Championships and mostly importantly a fun State Championships.

We managed 12 State Finalists in Jack McDonald & Marley Taaffe (U9), Harry Hodges, Lakin Campbell, Ollie Bartlett & Zoran Gurnhill (U10), Lucas Scott, Maggie Burch, Monais Gurnhill & Aaliyah Campbell (U12), Ariya Gurnhill (U13) & Kai Burch (U14).

Lucas Scott won our only Medal at State, with a bronze in the beach sprint.

We were very proud to be able to field a team in the All-Age beach sprint relay, who narrowly missed making it through to the final.

Our nippers trained hard through the season for this final carnival, and we were very proud of our incredible team, including nippers, age managers, coaches and supportive parents! We were very impressed with how our nippers represented the club and how well they supported each other.

The change in carnival programme allowed some age groups some extra time when they were not competing, and they were happy to stand and cheer each other on. Special mention to Ariya Gurnhill and Kai Burch who were sole competitors in their age groups and had to relocate to Collaroy for their competition. They waited very patiently through to the weekend to get their chance to compete. Kai was our club captain for the carnival and was an excellent role model for the younger nippers.

Rookie Coordinator

Marching Off the Beach, Stepping Into Patrol

This year we saw a number of U14s unfortunately leave our Club for various reasons, but we were also fortunate to have a number of nippers who had previously been at the club return for their final year and to complete their Surf Rescue Certificate (SRC).

Congratulations to Kai Burch, Ariya Gurnhill (U13), Zara Glasson, Ruby Lane, Elizabeth Lyons, Kirra Meale & Hope Owen who completed their SRC this season and started patrolling as 'Rookie' lifesavers on Patrol 6.

The season started with our U13/14 Rookie lifesavers attending the 'Raising of the Flags' ceremony at Avoca.

A number of Branch led events are available for Rookies, and Kai Burch and Ariya Gurnhill attended the Rookie Camp at Point Wolstoncroft. Unfortunately due to weather the annual trip to Tacking Point SLSC did not go ahead, but we will try again to make up for it next season.

Kai Burch who was nominated Wamberal's Rookie of the year was also nominated for Rookie of the Year at the SLSCC Awards of Excellence. Although he was unsuccessful in winning, he represented our club proudly.

At our end of season presentation Kai Burch and Kirra Meale both received Paul Jennar Awards for completing their nipper's journey from U6-14.

As is tradition, the U14 nippers were marched off the beach for their final time through a guard of honour formed from U6-13.

I have really enjoyed being an Age Manager for many of these Rookies, some since U6, and I look forward to continuing along their journey with them as future lifesavers.

Surf Boats

Humpbacks

This season was a year of change for the Wamberal Surf Boat Rowers.

The Wasabi Warriors welcomed a new crew member, Nat Rouessart, who proved to be a fierce competitor. From never having sat in a surf boat to becoming an integral part of the crew, Nat took on massive surf conditions with determination and strength. We are also grateful to Kristina, who remained a dependable presence on the sidelines and stepped in when needed.

Our Masters Men's crew, The Humpbacks, formed this season and began racing a few months in after a solid block of training. Unfortunately, their momentum was disrupted by injury when Jack was ruled out for the season with a broken collarbone. Mick Cairns, from Ocean Beach, stepped in and finished the season with the crew.

Ocean Toowoonbies is a newly formed U19 girls crew made up of keen rowers from Toowoon Bay, Ocean Beach, and Wamberal. Coming together with limited rowing experience, the crew has shown great determination and teamwork as they worked hard to build a strong foundation. We warmly welcome all our new rowers and look forward to seeing this promising team develop and race together in the seasons ahead.

Surf Boats

Wasabi Warriors

CC Hunter Boats - Stockton, Fingal bay, Woolgoolga, Ocean beach, Caves beach, Terrigal

The Central Coast and Hunter Series was held over seven rounds across the region and featured some tough competition. From flat conditions at Fingal Bay, which tested our cardio fitness, to huge surf at Woolgoolga, which challenged our technical skills and nerve, each round brought something new.

The Wasabi Warriors finished 1st in the Masters Division, securing the top spot for the fourth year in a row. We also placed 3rd in Reserves—a solid result while integrating a new rower into the team.

Our Masters Men's crew, The Humpbacks, formed early in the season and began racing during the second half of the season. While they didn't place in the Central Coast and Hunter Series, the racing experience proved valuable and set them up well for later competitions.

Wasabi Warriors; Helen Paver, Sheridan Thew, Natalie Rouessart, Amy Fletcher, R. Kristina Skvorc, Sweep - John Clarke

Humpbacks; Greg Allen, Jack Farrell, Geoff Creswell, Hakki Unver, R. Mick Cairns, Sweep - Jason Vineburg

Surf Boats

Toowoombies

Branch Championships - Ocean Beach, NSW

Wamberal Surf Boat Rowers delivered a dominant performance at the Branch Championships. With only small surf to contend with, our crews worked hard and brought home the chocolates in all divisions contested.

The Wasabi Warriors fought hard against strong competition and claimed double Gold in both the Masters and Reserves divisions.

The Humpbacks rowed exceptionally well to earn Bronze in the Masters Division - a fantastic result, especially after a challenging start to their season.

The Ocean Towoonbies were the stars of the day, winning Bronze in their first-ever carnival - an outstanding achievement for a newly formed team.

Wasabi Warriors; Helen Paver, Sheridan Thew, Natalie Rouessart, Amy Fletcher, R. Kristina Skvorc, Sweep - John Clarke

Humpbacks; Greg Allen, Jack Farrell, Geoff Creswell, Hakki Unver, R. Mick Cairns, Sweep - Jason Vineburg

Ocean Towoonbies; Jacinta Cairns, Lily Paver, Elyana Keys, Gemima Bonham, Sweep - John Clarke

Surf Boats

Natalie Rouessart, Amy Fletcher, Sheridan Thew, Helen Paver, John Clarke

ASRL Championship - Coffs Harbour, NSW

The ASRL Championships were held at Coffs Harbour on a weekend of huge surf and dangerous conditions. Due to the swell, racing was moved from the challenging beach break into the harbour, where we enjoyed a fantastic weekend of competition.

The Wasabi Warriors were the only crew representing Wamberal at this event and had a great weekend, despite missing our other new Wamberal crews.

Competing in a new division—Masters 160s—we faced tough competition from some excellent crews. Holding our nerve through multiple rounds of fierce racing, we were delighted to come away with a 3rd place podium finish to cap off the weekend.

Surf Boats

Wasabi Warriors

State Championship - North Steyne SLSC

The State Championships were held at North Steyne Surf Club under sunny skies and perfect waves. Two Wamberal crews competed over the weekend: the Wasabi Warriors and the Ocean Towoonbies.

The Wasabi Warriors, still finding their rhythm with a new crew and in a new age division, faced off against some of the best crews in the country. They fought hard in every round and finished 4th, just missing a podium place. It was a strong performance, and the crew was proud to hold their own against top-level competition.

The Ocean Towoonbies once again showed their potential with some impressive racing. Although they were up against experienced crews with several seasons under their belts, they rowed beautifully and did themselves proud. We were delighted to share the beach with them and celebrate their growth as a team.

Wasabi Warriors; Helen Paver, Sheridan Thew, Natalie Rouessart, Amy Fletcher, R. Kristina Skvorc, Sweep - John Clarke

Ocean Toowoonbies; Jacinta Cairns, Lily Paver, Elyana Keys, Gemima Bonham, Sweep - John Clarke

Surf Boats

Wasabi Warriors and Humpbacks

Aussie Championships - North Kirra

The final competition of the season was the Australian Championships, held on the Gold Coast. Two Wamberal crews competed - Wasabi Warriors and Humpbacks - with both teams racing in two divisions: Masters and Reserves.

The Wasabi Warriors held their own once again against some of the best crews in the country, finishing a solid 4th in the Masters division. It was a strong end to the season, with plenty to build on for next year. In the Reserves division, the crew progressed to the second round for the first time at this level and were delighted to record their best result yet in that division.

The Humpbacks also showed great determination, making it to the semi-finals in the Masters division and delivering a solid performance in the Reserves. For a crew that faced challenges due to injury throughout the season, they should be incredibly proud of how they finished.

Overall, it was a fantastic season for the Wamberal Surf Boat Rowers. With new crews, new rowers, and the challenges of injury, we've built a strong foundation for next season. There's a sense of momentum and determination in the teams, and we're already looking ahead to next season - with some unfinished business to take care of.

Wasabi Warriors; Helen Paver, Sheridan Thew, Natalie Rouessart, Amy Fletcher, R. Kristina Skvorc, Sweep - John Clarke

Humpbacks; Greg Allen, Jack Farrell, Geoff Creswell, Hakki Unver, R. Mick Cairns, Sweep - Jason Vineburg

Aussie Medallists

Medals Won, Legends Made

Wamberal Surf Life Saving Club once again proudly represented at the Aussies, with our dedicated Masters competitors achieving remarkable success on the national stage. These results are a reflection of the countless hours of training, commitment, and passion our members bring not only to competition but to surf lifesaving as a whole.

Gold Medals - Ken Broomfield delivered a standout performance, securing two national titles in both the Board and Ironman events. His results are a testament to his unwavering dedication and training.

Silver Medals - Di Dibert continued her impressive competitive record, taking out Silver in the Surf Race. Colleen Harrison showed her versatility and endurance in earning Silver in the Ironman.

Ken Broomfield added to his medal tally with a Silver in the 1km Beach Run.

Our team events also shone, with Colleen Harrison, Trina Cansick, and Di Dibert earning Silver in the Board Team event.

Additionally, Colleen Harrison and Maggie George teamed up to secure Silver in the Board Rescue event.

Bronze Medals - Di Dibert rounded out her successful campaign with a Bronze in the Board event.

In the team relays, Colleen Harrison, Trina Cansick, and Maggie George demonstrated fantastic teamwork to secure Bronze in the Taplin Team.

Similarly, Colleen Harrison, Trina Cansick, and Di Dibert earned Bronze in the Ski Relay, highlighting the strength of our Masters women's team across multiple disciplines.

State Medallists

Flying the Wambie Flag on the State Stage

Wamberal Surf Life Saving Club proudly recognises and congratulates all our competitors who represented the Club at the NSW State Championships this season. Across both our Seniors and Junior divisions, these members displayed outstanding commitment, sportsmanship, and passion for surf lifesaving. Their efforts continue to strengthen Wamberal's proud reputation in the surf sports community.

Our Masters Competitors included Ben Hodge, Ben Travis, Colleen Harrison, Vince Minto, Gordon Crabb, Craig Adams, Twynette Dickinson, Trina Cansick, Mark Sutton, Di Dibert, Justine Ella, Ken Broomfield, Maggie George, Tony Curran, Tim Burch and Tiffany Molloy.

Our Junior Competitors represented Wamberal with enthusiasm and determination. Congratulations to Olivia Bailey, Oliver Bartlett, Rylan Bishop, Amelie Bowen, Maggie Burch, Kai Burch, Lakin Campbell, Aaliyah Campbell, Keira Cohen, Jack Crawford, Parker Crawford, Chilli Fourie, James Gallagher, Leo Gray, Evie Gray, Ariya Gurnhill, Zoran Gurnhill, Monais Gurnhill, Evelyn Guthrie, Harry Hodges, Ivy Howarth, Layla McCarthy, Jack McDonald, Kirra Meale, Liam Meale, Will Morrison, Jack Packer, Riccardo Patterson-Meyer, Cora Scott, Lucas Scott, Pippa Small, Marley Taaffe and Matilda Travis.

A special mention to Lucas Scott, who proudly claimed his third consecutive State medal in the Beach Sprint event.

Lucas was also selected for the Interbranch Team this season, an outstanding achievement.

Congratulations to all competitors for representing Wamberal with pride and passion this season. Your efforts reflect the hard work of our coaches, officials, volunteers and the unwavering support of our Wamberal community.

Duke of Edinburgh

Duke of Ed keeps ticking along, with a constant stream of new participants wanting to take on the Duke of Ed challenge. Our numbers remain constant, and word has spread that Wamberal SLSC offers a pretty good program. Wamberal SLSC continues to get contacted by various Central Coast Branch Surf Clubs as well Surf Life Saving NSW on how they can set up The Duke of Ed program like ours.

Wamberal SLSC continues to support our youth from various surf clubs on the Central Coast. Currently we have participants from North Avoca, Terrigal, Shelly, Nth Entrance and Wamberal SLSC all participating in the Duker of Ed award. We also continue to be one of the largest organisations to offer this amazing program.

Can you believe it has been fourteen years since the program first began at Wamberal SLSC.

DOEF

Duke of Edinburgh

Our first participants are now 28yrs of age and are getting married and having children. That's making me feel old. In the early years of Duke of Ed when gold participants achieved their gold awards, they were presented with certificates at Government House. This was always one of the highlights of their Duke of Ed journey. Unfortunately, over the last five years this no longer has been taking place. Well with new leadership and lobbying by Award Leaders including myself they made the great decision to bring back a small celebration at Government House for Gold Duke of Ed awardees. So, on Thursday 31st July 2025, Jack and Harry Naven were invited to share morning tea with the Honourable Margaret Beazley AC KC Governor of New South Wales to celebrate achieving their gold awards. Such a special morning sipping cups of tea with The Governor at Government House. Let's hope that continues.

Also, Duke of Ed Head Office got wind that Wamberal SLSC award leader and her two children Jack and Harry were all patrolling members they did a story on the three of us for volunteers' week and the benefits of volunteering and being part of a Surf Club. Hopefully that will inspire others to join their local Surf Club.

Over the last four long years our newest Gold Duke of Ed awardees have challenged themselves in their skill, physical recreation, service and adventurous journeys to achieve their Gold Duke of Ed awards. A big congratulations goes to Charlie Montgomery, Miliah Roder, Olya Richards and Harry Naven. You truly are all so inspirational and we have loved watching you complete your Duke of Ed journey.

Over the last year we have had various adventures -

Our current Gold Duke of Ed group successfully completed their practice and qualifying sailing adventure from Sydney to Brisbane in January 2025. Over nine days they also were tested. The weather was mostly kind to them and with none of them ever having sailed before they all did an amazing job rising to the challenge. Congratulations Ella Stone, Will Conroy, Kaelan Thomas, Mackenzie Cross and Matilda Lisle. This group of amazing humans are coming to the end of their Duke of Ed journey. It has been an absolute pleasure and honour watching them achieve all their goals and being rewarded on their Duke of Ed journey.

Most recently in June/July 2025 our newest Gold Duke of Ed participants Tahj Regattieri, Eden Pearson, Luke Nakagawa, Riley White, Lewis Roder, Lily Milanovic, Molly Laing, Cecilia Bradley and Sian Beynon all headed to Fiji under the watchful eye of myself and the gorgeous Lisa Shailer. These gorgeous souls volunteered their time teaching in schools as well as assisting in sports in the local village. This was an amazing cultural opportunity and super challenging to say the least.

Duke of Edinburgh

We were up early every day and made our way to either Kindy, Primary or High School and assisted the teachers where needed. The Wamberal SLSC Duke of Ed crew took it all in their stride. They were amazing and I'm so proud of each one of them. Thank you to Matt from Totally Travel who tailor made our volunteer experience in Fiji. It was eight days of living primitively but so rewarding. We all came back appreciating all our home comforts and loved our Fijian cultural experience. To make the trip a bit more affordable we conducted various BBQs, and all monies raised at Race One and Bunnings BBQ went to our Fiji trip. This group of amazing humans also assisted Living Choice Broadwater Court Retirement Village with their ANZAC day commemorations. Thank you so much to Kath Hall who invited the Wamberal Duke of Ed participants to cook up a feast for the residents at the village. The participants loved interacting with all of the residents and got to speak about their Duke of Ed journey. From all accounts it was a memorable day, and The Duke of Ed participants got to reflect on the meaning of ANZAC day and first hand stories of people that have served. Lest we forget.

DOEF

Duke of Edinburgh

(moved to here so it goes from closest to completion backwards) In April 2025 our newest Bronze Duke of Ed group combined both their Practice and Qualifying journeys and hiked in The Ku-ring-gai Chase National Park. Over three days sixteen participants were tested in every way. A big congratulations everyone we are all so proud of you.

Well, I think that's all for everything Duke of Ed for 2024/25. I would like to thank Wamberal SLSC for continuing to allow the Duke of Ed program to be present in our club. It's such a wonderful program that allows our youth to be challenged and achieve their personal goals in their day to day lives as well as continuing to patrol our beautiful Central Coast beaches.

As I like to always say "The greater the challenge the greater the reward ". All The Duke of Ed participants here at Wamberal SLSC have well and truly been challenged and been rewarded for their amazing efforts.

Race One Jnr Ironperson

Celebrating Courage and Commitment

Held on Saturday 4th January 2025 the Race One Junior Endurance Ironperson, an event that continues to grow in prestige and participation. With over 300 competitors tackling a challenging endurance course, the day was a true showcase of resilience and surf lifesaving spirit. Favourable surf conditions set the scene for an exciting day of racing, where speed alone wasn't enough. Endurance & determination defined the performances across all age divisions.

The event brought together surf clubs from across the region and beyond, reinforcing the strong sense of community and camaraderie within the sport.

A heartfelt thank you goes to the organising committee and the many volunteers who worked tirelessly to deliver such a successful event. We also extend our sincere appreciation to the Referee, SEMC, and all Officials and Water Safety personnel, particularly those from visiting clubs, for their professionalism and dedication on the day.

We are incredibly grateful to our event sponsors:

Race One Surf Craft, Engine Swim, Hooded, CHOP Butchery, and the McGrath family. Your generous support made this event possible and helped celebrate the next generation of surf sports talent.

Race One Jnr Ironperson

Congratulations to our Race One surfcraft winners:

- April Chalmers (Manly) – U9/10
- Ryan Chalmers (Manly) – U11/12/13
- Felix Stephens (Manly) – U14/15/17
- Jessica Edwards (South Maroubra) Raffle Winner

A special mention to all our placegetters who stood on the podium and to every participant who gave it their all on the course. This event continues to embody everything great about junior surf lifesaving.

We look forward to an even bigger and better event in 2026.

Sandy Ball

The Wamberal SLSC Sandy Ball was once again a fantastic celebration of our club community, a night filled with good food, great music, and plenty of laughter. Held at the clubhouse lawn with the perfect coastal backdrop, the event brought members together to relax, unwind and enjoy each others company off the beach.

The night kicked off with the incredible Kuta Groove Band, who kept the energy high and the dance floor busy well into the evening.

In true Wamberal style, dinner was served presented atop the Club's own surf boat, transformed for the evening into a spectacular buffet table. The boat was overflowing with a feast of baked goods, fresh salads, indulgent desserts, and mouth watering slow cooked meats.

For those looking to quench their thirst after dancing up a storm, the Iron Bar served up refreshing sangria, adding to the relaxed and festive atmosphere.

The Sandy Ball is a much loved tradition at Wamberal, where members of all ages come together to celebrate another successful season. It's nights like these that remind us why we're more than just a club. We're a community.

Officials & Water Safety

At Wamberal SLSC, we're incredibly proud of the members who completed their Surf Sports Official's and BM Courses this season. These members didn't just gain a qualification. They made a commitment to support our athletes and help carnivals run smoothly and fairly. Whether at the finish line, marshalling competitors, or assisting in the surf, their presence made a real difference. It's inspiring to see those who once stood on the sidelines now playing such an important role, showing that Surf Life Saving truly has a place for everyone.

A big thank you also goes to the many hands who helped throughout the carnival season. From setting up tents at dawn and managing young competitors to working the BBQ and cheering from the sidelines. Your time and energy never go unnoticed. Carnivals simply wouldn't happen without this kind of community spirit, and it's a big part of what makes our club so special. Whether you're new to surf life saving or a long time member, there's always a way to get involved and every bit of help counts.

Coaches & Age Managers

Our coaches and age managers are the heartbeat of Wamberal SLSC, playing a vital role in the growth and confidence of our young members. Their energy, patience, and dedication week after week ensure our nippers and youth feel supported, included, and ready to take on new challenges. Whether running beach drills, leading water sessions, or offering a quiet word of encouragement, their impact goes far beyond training.

We are incredibly grateful to those who give their time to guide the next generation of surf lifesavers. Age managers and coaches not only teach essential skills but also help build friendships, resilience, and a strong sense of team spirit. Thank you for everything you do to help our club thrive.

Emergency Response

Supporting Communities Beyond Patrol Hours

This season saw NSW experience a number of extreme weather events that tested the endurance and resilience of communities across the state. During these challenging times, Surf Life Saving NSW volunteers including members from Wamberal SLSC played a vital role in providing emergency response support well beyond the beach.

Earlier in the season, Tropical Cyclone Alfred threatened northern NSW and parts of Queensland, prompting the coordinated deployment of trained Flood Rescue Task Forces. These teams, consisting of up to five units with approximately 14 members each, were made up of skilled volunteers from across NSW. Their capabilities included:

IRB Drivers and Crew

Land-Based and In-Water Rescue Operators

UAV (Drone) Pilots

Logistics and Communications Personnel

Team Leaders and Task Force Commanders

Emergency Response

These teams were tasked daily with a range of duties including welfare checks, rescues of both people and animals, medical deliveries, evacuations, and flood impact data collection. Volunteers sacrificed their time, including unpaid workdays, and spent up to a week away from their own families to help complete strangers in need.

Soon after, the Northern Rivers region of NSW was devastated by some of the worst flooding in recent history. Many of the same volunteers who had assisted with Cyclone Alfred were redeployed to these flood-affected areas, where the damage to homes, businesses, and livestock was overwhelming.

Emergency service teams, including Surf Life Saving volunteers, worked side-by-side in the massive clean-up effort, helping residents remove flood-damaged belongings, wash out homes, and conduct damage assessments critical for recovery operations.

These deployments are a crucial part of the broader emergency response framework in NSW. Volunteers not only assist in times of crisis—they offer hope and practical help to those most in need.

For members interested in contributing to future emergency response efforts, the experience is both physically and emotionally demanding, yet incredibly rewarding. With the right training and qualifications—many of which are achievable with club support—members can be part of these life-changing operations.

SLSA & NSW Sponsors

Wamberal Surf Life Saving Club proudly acknowledges the generous and ongoing support of the corporate sponsors of Surf Life Saving NSW. These valued partners play a vital role in enabling the lifesaving work we undertake every day along our beaches and within our communities.

We thank all Surf Life Saving NSW partners for their unwavering commitment, which ensures the continued delivery of essential lifesaving services, safety education, and training programs across the state. Their contributions allow Surf Life Saving to remain at the forefront of coastal safety and emergency response, helping us achieve our mission of saving lives, creating safer beach environments, and fostering resilient, well prepared communities.

Our corporate partners provide more than just financial support they share our vision of protecting beachgoers, supporting volunteer surf lifesavers, and empowering young Australians through programs that build confidence, skills, and leadership. This invaluable partnership directly impacts thousands of members, volunteers, and visitors to our beaches each year.

Through their generosity, these sponsors help fund vital equipment, rescue gear, member training, and community initiatives that would not be possible without their assistance. Their investment in surf lifesaving is an investment in stronger, safer, and more connected communities.

On behalf of the Wamberal Surf Life Saving Club, our members, and everyone who benefits from a safer coastline, we extend our sincere gratitude to Surf Life Saving NSW's corporate partners. Thank you for your dedication to our cause and for standing with us in our commitment to saving lives.

Together, we make our beaches safer for everyone.

Sponsors

Wamberal Surf Life Saving Club is incredibly fortunate to have the ongoing support of a passionate and generous community. Our ability to deliver vital lifesaving services and run a strong surf club depends heavily on this support. In particular, we would like to sincerely thank the following sponsors who have contributed during the 2024/25 season:

- Chop Butchery – We're grateful for your ongoing meat donations for our fundraising BBQs and meat raffles.

- Ladybug Academy – Thank you for your annual donation supporting our Surf Boat Rowers. Your contribution directly assists with equipment for our rowing team.

- DS Sharp – Thank you for providing our club with an office printer, supporting the smooth running of our administrative operations.

- Breakers Country Club – Thank you for your continued commitment to our club, community programs and Club Grants.

- Lions Club of Terrigal and Wamberal – Your generous donations have allowed us to purchase essential new boards for our Nippers.

Sponsors

Wamberal Surf Life Saving Club is incredibly fortunate to have the ongoing support of a passionate and generous community. Our ability to deliver vital lifesaving services and run a strong surf club depends heavily on this support. In particular, we would like to sincerely thank the following sponsors who have contributed during the 2024/25 season:

- Wideline Windows and Doors – We appreciate your annual donation, which supports the development of our Nippers and future lifesavers.

- Central Coast Council – We are grateful for your ongoing support and partnership in helping us maintain and improve our facilities and services.

- Pallet Logistics – Thank you for your monthly donations, which provide consistent support to our lifesaving services throughout the year.

- Toby McGrath – Thank you for your generous bread donations, which help fuel our fundraising BBQs.

- Westpac – Your cashback mortgage donation program for members is a unique and appreciated way to give back.

- Fortunity – Your support plays a vital role in helping us manage the financial aspects of our operations.

Executive Committee Report

Your executive committee members submit the financial report of the association for the financial year ended 30 April 2025.

Executive Committee Members

The names of executive committee members as at the date of this report are:

Adam Phillips	President
Stephen Naven	Director of Finance (Resigned 29/10/2024)
Craig Adams	Director of Lifesaving (Resigned 29/10/2024)
John Meares	Director of Finance & Commercial Activities (Appointed 29/10/2024)
Lisa Shaller	Director of Administration
Karl Nixey	Director of Junior Activities (Resigned 29/10/2024)
Timothy Burch	Director of Junior Activities (Appointed 29/10/2024)
Tiffany Molloy	Director of Surf Sports
Helen Paver	Director of Lifesaving (Appointed 29/10/2024)

Principal Activities

The principal activities of the association during the financial year were the operation of a surf lifesaving club, by providing a safe beach and aquatic environment for the local community, and facilitating Surf Life Saving Courses run by Surf Life Saving Central Coast Inc.

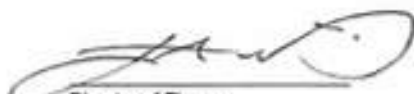

Significant Changes

No significant change in the nature of these activities occurred during the financial year.

Operating Result

The surplus from ordinary activities of the association for the financial year amounted to \$44,708 (2024 surplus: \$31,663).

Signed in accordance with a resolution of the Executive Members.

Wamberal Surf Life Saving Club Incorporated
ABN 41 162 438 813

Notes To The Financial Statements
For The Financial Year Ended 30 April 2025

1. Summary of Significant Accounting Policies

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the *Associations Incorporation Act 2009*, the *Australian Charities and Not-for-profits Commission Act 2012*, the *Charitable Fundraising Act 1991* and associated regulations. The committee has determined that the association is not a reporting entity.

Wamberal Surf Life Saving Club Incorporated is an association registered under the *Associations Incorporations Act 2009* and domiciled in New South Wales.

The financial report is prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where stated specifically, current valuations of non-current assets.

These are special purpose financial statements that have been prepared for the purpose of complying with the *Australian Charities and Not-for-profits Commissions Act 2012* and associated regulations. The Board have determined that the accounting policies adopted are appropriate to meet the needs of the members of the Wamberal Surf Life Saving Club Limited.

These financial statements have been prepared in accordance with the recognition and measurement requirements specified by the Australian Accounting Standards and Interpretations issued by the AASB and the disclosure requirements of AASB 101 'Presentation of Financial Statements'; AASB 107 'Statement of Cash Flows'; AASB 108 'Accounting Policies, Changes in Accounting Estimates and Errors'; AASB 1048 'Interpretations of Standards'; AASB 1054 'Australian Additional Disclosures' as appropriate for not-for-profit oriented entities.

Accounting Policies

Revenue

Revenue is recognised when it is probable that the economic benefit will flow to the company and the revenue can be reliably measured.

Sale of goods

Sale of goods revenue is recognised at the point of sale, which is when the customer takes receipt of the goods, the risks and rewards are transferred to the customer and there is a valid sales contract. Amounts disclosed as revenue are net of sales returns and discounts.

Functions and Events

Revenue from functions and events are recognised once the event is held in the Club facilities and has met its obligations to provide a venue for the expressed purpose agreed with the parties.

Membership fees

Revenue from membership fees is recognised at time of receipt.

Grants and donations

Grant & donation income is recognised as revenue when received unless they are designated for a specific purpose, where they are carried forward as prepaid income on the balance sheet.

Interest

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument.

All revenue is stated net of the amount of goods and services tax (GST).

Wamberal Surf Life Saving Club Incorporated
ABN 41 162 438 813

Notes To The Financial Statements
For The Financial Year Ended 30 April 2025

1. Summary of Significant Accounting Policies Continued...

Inventories

Inventories are measured at the lower of cost and net realisable value.

Buildings

Buildings are measured on the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment losses. In the event that the carrying amount of buildings is greater than its estimated recoverable amount the decrease in value is shown in the profit and loss statement as a revaluation decrease.

Plant and Equipment / Surf Patrol Equipment

Plant and equipment are measured on the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment losses. In the event the carrying amount of plant and equipment is greater than its estimated recoverable amount and impairment losses are recognised in the profit or loss as revaluation decreases if the impairment losses relate to the revalued asset. A formal assessment of recoverable amount is made when impairment indicators are present.

Depreciation

The depreciable amount of all fixed assets, including buildings and capitalised lease assets is depreciated on a straight line or diminishing-value basis over the asset's useful life to the entity commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable asset are:

Class of Fixed Asset	Depreciation Rate
Plant and Equipment	5 – 25%
Surf Patrol & Sports Equipment	10 – 20%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These gains or losses are recognised in profit or loss in the period which they arise. When revalued assets are sold, amounts included in the revaluation reserve relating to that asset are transferred to retained earnings.

Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

Goods and Services Tax

Revenues, expenses and assets recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included in other receivables or payables in the statement of financial position.

Wameral Surf Life Saving Club Incorporated
ABN 41 162 438 813

Notes To The Financial Statements
For The Financial Year Ended 30 April 2025

1. Summary of Significant Accounting Policies Continued...

Income Tax

As the company is a charitable institution in the terms of subsection 50-5 of the Income Tax Assessment Act 1997, as amended, it is exempt from paying income tax.

Trade and Other Payables

Trade and other payables represent the liabilities for goods and services received by the company during the reporting period that remain unpaid at the end of the reporting period. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

Comparative Figures

Where required by Accounting Standards, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

Critical Accounting Estimates and Judgements

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that may have a financial impact on the entity and that are believed to be reasonable under the circumstances.

Notes To The Financial Statements
For The Financial Year Ended 30 April 2025

15. Disclosures under the NSW Charitable Fundraising Act 1991

Fundraising appeals conducted by the Club during the year led to a number of donations. Net fundraising is applied to the operational expenses of the Club in its core lifesaving activities. Comparisons of certain monetary figures and percentages in accordance with the requirements of the *NSW Charitable Fundraising Act 1991* are set out below.

	2025 \$	2024 \$
Aggregate gross income from bequests*	-	-
Aggregate gross income from fundraising	3,362	2,120
Aggregate gross income from donations	13,934	30,836
Less total direct cost of fundraising	-	-
	17,296	32,956

* Bequests are excluded from the *Charitable Fundraising Act 1991*

16. Related Party Disclosures

(a) Transactions with related parties

Transactions between related parties are on normal commercial terms and conditions no more favourable than those available to other parties unless otherwise stated.

The committee members have not acquired any goods or services from the Club during the year and if they were to do so, any goods or services received would be on the same terms and conditions available to the Club's customers and members.

(b) Key Management Personnel

The total remuneration for all key management personnel for the year ended 30 April 2025 was \$Nil (2024: \$Nil).

Wamberal Surf Life Saving Club Incorporated
ABN 41 162 438 813

Statement by Executive Members

In the opinion of the Executive Committee:

- (i) the incorporated association is not a reporting entity because there are no users dependent on general purpose financial statements. Accordingly, as described in note 1 to the financial statements, the attached special purpose financial statements have been prepared for the purposes of complying with the *Associations Incorporations Act 2009 (NSW)*, the *Australian Charities and Not-for-profits Commission Act 2012*, the *Charitable Fundraising Act 1991* and associated regulations;
- (ii) the attached financial statements and notes comply with the Australian Accounting Standards as described in note 1 to the financial statements;
- (iii) the attached financial statements and notes comply with the requirements of the *Australian Charities and Not-for-profits Commission Act 2012* and the *Charitable Fundraising Act 1991*;
- (iv) the attached financial statements and notes give a true and fair view of the incorporated association's financial position as at 30 April, 2025 and of its performance for the financial year ended on that date;
- (v) there are reasonable grounds to believe that the incorporated association will be able to pay its debts as and when they become due and payable;
- (vi) the financial statements give a true and fair view of all income and expenditure with respect to fundraising appeals; and
- (vii) the internal controls exercised by the incorporated association are appropriate and effective in accounting for all income received and applied by the incorporated association from all fundraising appeals.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

Director of Finance

Dated: 31 August 2024

**Independent Audit Report To The Members
Of Wamberal Surf Life Saving Club Incorporated**

Report on the Financial Report

Qualified Opinion

We have audited the accompanying financial report of Wamberal Surf Life Saving Club Incorporated (the Club), which comprises the statement of financial position as at 30 April 2025, statement of profit or loss & other comprehensive income, statement of changes in members' funds and statement of cash flows for the year then ended, notes comprising a summary of material accounting policies and other explanatory information, and the committee members' declaration.

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the financial report of Wamberal Surf Life Saving Club Incorporated is in accordance with the *Australian Charities and Not-for-profits Commission Act 2012*, including:

- (a) giving a true and fair view of the Club's financial position as at 30 April 2025 and of its performance for the year ended on that date; and
- (b) complying with *Australian Accounting Standards - Reduced Disclosure Requirements* and the *Australian Charities and Not-for-profits Commission Regulation 2013*.
- (c) the *Charitable Fundraising Act 1991*, including
 - (i) the financial report shows a true and fair view of the financial result of fundraising appeals for the year to which they relate; and
 - (ii) the financial report and associated records have been properly kept during the year in accordance with this Act and the regulations; and
 - (i) money received as a result of fundraising appeals conducted during the year has been properly accounted for and applied in accordance with this Act and the regulations; and
 - (ii) Wamberal Surf Life Saving Club Incorporated is solvent, as it is able to pay its debts as and when they fall due.

Basis for Qualified Opinion

The financial statements of the Wamberal Surf Life Saving Club Incorporated include \$9,272 of inventories as at 30 April 2025. Fortunity Assurance did not observe the counting of physical inventories at the beginning or the end of the year, however, have assessed valuation of inventory. Due to the nature of the Club inventory, we are unable to satisfy ourselves by alternative means the inventory quantities recognised as at 30 April 2025. As a result, we were unable to determine if any adjustment with respect to the existence of inventory recorded is necessary and related impact on the income statement.

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Club in accordance with the auditor independence requirements and ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Independent Audit Report To The Members
Of Wamberal Surf Life Saving Club Incorporated**

Emphasis of Matter

The financial report of Wamberal Surf Life Saving Club Incorporated is a special purpose financial report that has been prepared in accordance with the accounting policies described in Note 1 to the financial report.

Other Information

The Committee Members are responsible for the other information. The other information comprises the information included in the Club's annual report for the year ended 30 April 2025 but does not include the financial report or our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears materially misstated.

If, based on the work performed, we conclude that there is a material misstatement of this other information, we are required to report on this fact. We have nothing to report in this regard.

Committee Members' Responsibility for the Financial Report

The Committee Members of the Club are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Australian Charities and Not-for-profits Commission Act 2012* and for such internal control as the committee members determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report the Committee Members are responsible for assessing the Club's ability to continue as a going concern, disclosing, as applicable matters related to going concern and using the going concern basis of accounting unless the Committee Members either intends to liquidate or to cease operations, or has no realistic alternative but to do so.

The Committee Members are responsible for overseeing the Club's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal controls.

**Independent Audit Report To The Members
Of Wamberal Surf Life Saving Club Incorporated**

Auditor's Responsibility for the Audit of the Financial Report (continued)

- Obtain an understanding of internal controls relevant to the audit in order to design the audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Club's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the committee.
- Conclude on the appropriateness of the Club's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Club's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any deficiencies in internal control that we identify during our audit.
