

Fleet Services

During our 20-year legacy of service to our customers we have consistently demonstrated a dedicated philosophy for service. This is largely evident by the large amount of repeat customers we have and the invaluable referrals we receive from them. Over this time we have also earned the trust of and currently serve a number of community businesses and organizations with their vehicle fleets.

Following are just a few of those businesses and organizations:

- City of Stamford
- Stamford Police
- Stamford Fire Department – Turn of River Station
- US Postal Service
- Meals On Wheels
- Crystal Rock Bottled Water
- Bartlett Tree
- Frank Mercede & Sons
- Hatch and Baily Lumber
- Shoreline Pools
- King Low Heywood Thomas School
- The Italian Center

Following is a list of services:

- **Mitchell International – Ultra Mate Electronic Estimates:** The advantages to our estimating system is it's insurance company compatible and is updated monthly to further assure parts price accuracy.
- **Appointments are not necessary for estimates and take approximately 20 minutes to complete. Stop by any time Monday through Friday 8AM to 4:30PM or Saturday 9AM to 11:30AM.**
- **Computerized Color Matching:** We have the latest technology in color matching with a state-of-the-art camera for a **Perfect Color Match on All Applications.**
- **Unibody and Full-Frame Straightening:** We have the latest high quality frame straightening equipment **In House – WE DO NOT SEND OUR CARS OUT** which is another way of providing faster turnaround time for our customers. "Chief S21EZ Liner" for large vehicles and "Genesis Laser Frame Measuring System" for smaller vehicles.
- **"Well-Built" State-of-the-Art Downdraft Spray Booth with Oven:** Produces a "Dust Free – Baked On" finish exactly the way the car was finished at the factory.
- **Rental Cars Available:** Whether you have an insurance or non-insurance claim, we can arrange for a rental car for you to use while your car is being repaired.
- **Towing:** Towing both local and out of state is provided.
- **Complete Detailing:** Scratch removal, Dings, Buffing, Waxing and Interior cleaning.
- **Rim Repairs:** We have the ability in house to repair and recondition rims back to new condition. We recondition all styles and finishes.

We would be honored to have the opportunity to earn your trust also. We will provide contact information to some of our current fleet accounts in order that you can perform your due diligence.

Thank you,
