

# BRUNTCO, LLC

NOT JUST A COMPANY THAT DRILLS HOLES

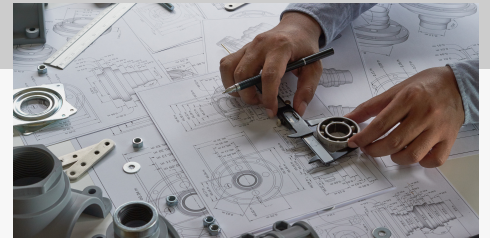

BRUNTCO, LLC is Florida's Premier Weephole Drilling Company. We've been helping General Contractor's since 2019 with eradicating water from the cores of Precast Hollowcore Planks, with our state-of-the-art custom designed weephole rigs and over 20 years in the Precast Hollowcore industry.

At BRUNTCO we have distinguished ourselves as a leader in the Weephole Drilling Industry.

*Michael Brunt has worked in the precast industry for over 20 years, as a Field Operations Manager, Precast Erector, Trainer and holds a PCI Certification as a Field Auditor. He has considerable knowledge and is well versed in the Hollowcore industry.*

## BRUNTCO RIGS

With Michael Brunt's knowledge of the industry, he was able to design BRUNTCO's custom Weephole Drilling Rigs, which function at an accelerated pace, without sacrificing accuracy or safety.

At BRUNTCO, LLC we can alleviate your water intrusion issues in less time making us the quickest option to drill weepholes. We have the ability to drill up to 100,000 Sq. Ft. in a day, with just a few men on site. This streamlined approach to weephole drilling provides our customers with substantial savings.

## BRUNTCO

**YOUR FIRST LINE OF DEFENSE AGAINST WATER INTRUSION**

Contact BRUNTCO, LLC to add an additional layer of prevention to your project, with the addition of weephole drilling.
