### Bad Weather

Our Preschool will follow Newberg School District's decision about school closure during weather events. We will make every effort to post any closures on our website main page. You can find out about Newberg School District's closures by accessing their website at [Newberg.k12.or.us](http://Newberg.k12.or.us) or by phone at 503-554-5001. You may also listen to local television stations (KGW, KATU, KOIN, FOX). If the Newberg School District has a 2-hour late start, we will not have classes. Please always use your best judgment as to whether you travel to school on any day of bad weather. Thank you for your cooperation and patience during challenging weather!

### Illness Policy

Please keep your child home when sick. We require students to stay home for a minimum of 24 hours after a fever, vomiting or diarrhea has completely resolved **without medication**. If your child is positive for COVID, please contact the school director for instructions.
