

2025-2026 FEES

GROUP INFANT

0 - 18 MONTHS

ALL ABOUT THE SENSES

They love to experience different textures, whether in their hand or in the foods they eat.

FEEDING

Getting used to the feeling of the utensil in their hand, and it's a great step toward feeding themselves.

BALANCE & COORDINATION

Their muscles are getting stronger, their balance and coordination are improving, and they're getting ready for crawling, cruising, and eventually walking.
