

# DOUGLAS HIGHWAY RESURFACING & SIDEWALK REPAIRS STAGE 2

MAY 2024  
CONSTRUCTION

## NOTICE OF HEAVY EQUIPMENT OPERATION AND RESTRICTED ACCESS

Weather permitting, on Saturday, May 4, through Wednesday, May 15, 2024, SECON will be operating excavators, a roller, and dump trucks on Douglas Highway from the Lawson Creek Bridge to the end of the project 700' south of Cordova Street between the hours of 7:00 p.m. and 7:00 a.m. under the conditions of noise permit number INQ20230002.

This permit does not allow for unreasonable noise disturbances after 10:00 p.m. or before 7:00 a.m. weekdays and before 9:00 a.m. on weekends. This permit does allow for moderate noise disturbance.

Please contact SECON at (907) 314-2038 if you have questions after hours. Contact the Juneau Police Department at (907) 586-0600 to report unreasonable noise disturbance or other permit violations.

## RESTRICTED DRIVEWAY ACCESS

Access to your driveway will be temporarily restricted as the paver moves past. Once the asphalt has cooled, you will be allowed to cross. Emergency vehicle access will be accommodated.

If possible, please consider parking your vehicles in another location prior to paving operations. There will be no on street parking available. We apologize for the inconvenience and appreciate your patience throughout the construction process.
