Rules

- The Kin Kids Soapbox Derby is open to any girl or boy of the appropriate age, weight, and height for the available soapbox derby cars. Racers must be able to fit into the cars.
- Racers must also pass a preliminary ramp “brake test.” If the racer does **NOT** show competence in their ability to apply the brakes with sufficient force to stop the car safely, they will **NOT** be able to race on their own. However, there are two SUPERKIDS CARS available. These cars are specifically designed and constructed to accommodate one child plus a driver. To ensure the safety of the children, specially trained “co-pilots” will be available to help these racers.
- Registration forms/photo release forms must be signed by a parent or guardian.
- All drivers must wear shoes – **NO SANDALS OR FLIP FLOPS!**
- ALL drivers **MUST WEAR** properly fitted CSA/UL approved helmets (bicycle, motorcycle or hockey helmets).
 - **Please note: The Kinsmen Club of Vulcan does NOT supply helmets – children must bring their own helmet.**
- Race volunteers reserve the right to remove a racer.
