Sani Spray Solutions is a family-owned janitorial services small business based in North Carolina that specializes in coronavirus (COVID-19) sanitization. We know that the COVID-19 pandemic has brought a lot of uncertainty to your personal and professional life and how much you care about the safety of your business or government agency. We care too.

Our one-step disinfectant EPA certified products are designed to clean, disinfect, and sanitize, fungicide, virucide, and deodorize any space. We are a locally owned and operated business working with a dedicated team that is 100% committed to providing professional services around the Charlotte, NC area.
